A) DEER HUNT – schedule for January 8th – 10th, 2021

- Jim & Bart to work together to get guides and hunting spots worked out
- Jim will check with Danny & Carroll to ensure we can use their house as the deer cleaning station again.
- Since COVID has everything so fluid, we will not require a deposit this year, nor will we gather to serve food and eat.
- We will allow hunters to pay full price for hunt when they arrive.
- We will either get "to-go" meals for the hunters or purchase vouchers/gift certificates for them to eat at local restaurants for their meals. Stephanie agreed to head this up. We will ask Danny & Carroll if we can use their cabin as the distribution point for to-go meals.
