

Call Out for February 15, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

After consulting with the Elmore County Emergency Management Agency, there is a very high probability of ice on some roads, bridges, and overpasses. Due to this potential safety issue, all Elmore County Public Schools will shift to an e-learning day for Tuesday, February 16. We will return to a regular schedule on Wednesday.

I apologize for any inconvenience. Stay warm and have a good evening.

*Every Student Empowered, Every Student Succeeds.*

Richard Dennis
