GREENWICH TOWNSHIP BOARD OF EDUCATION

TEACHING STAFF MEMBERS
3250 HOURS AND DAYS OF WORK

3250 HOURS AND DAYS OF WORK

The Board of Education shall establish the days and hours of work for teaching staff members for whom working days and hours have not been negotiated in collective bargaining. In no case will full-time employment in this district be less than the school day established by this Board for the instruction of students.

"Full-time employment" is employment regularly scheduled, in accordance with the school calendar, for full school days and full school weeks.

A "full school day" is the school day established by the Board for the instruction of students plus such additional working time as may have been negotiated with the representatives of teaching staff members. The working hours of teaching staff members for whom working hours have not been negotiated shall be equal to those identified in the Collective Bargaining Association.

A "full school week" is five days, Monday through Friday.

The hours and days of work for part-time employment shall, to the extent possible, be stipulated in the creation of each part-time teaching staff member position. Where the nature of a part-time employment position is such that hours and days of work are irregular and unpredictable, the Board will stipulate the maximum number of hours and days that may be worked in the position.

A teaching staff member shall not be required to perform employment services on a legal holiday, and no member's salary will be diminished because he/she did not perform employment services on a legal holiday.
