Sought input from local public safety officials. Superintendent Signature: _____

Cardiac Emergency Response

A written plan for cardiac emergency response is available and includes: (check off to confirm)

- X Use and maintenance of automated external defibrillators, if available
- X Activation of a cardiac emergency response team during an identified cardiac emergency
- X A plan for effective and efficient communication throughout the school campus
- X A training plan for the use of an automated external defibrillator and CPR techniques (for schools that serve grades 9-12)
- X Incorporation and integration of the local emergency response system and emergency response agencies with the school's plan
- X An annual review and evaluation of the cardiac emergency response plan 08/10/19 (date completed)
