## 1 Professional Personnel

2  
3 A given professional position may require additional hours during evenings or other times when offices  
4 may be closed. Outside employment is regarded as employment for compensation which is not within the  
5 duties and responsibilities of the employee's regular position with the school system.

6  
7 An employee will not perform any duties related to an outside job during his/her regular working hours  
8 or during the additional time that the responsibilities of the position require, nor will an employee use any  
9 district facilities, equipment or materials in performing outside work. This includes the Board's computer  
10 systems and networks and any configuration of hardware and software. The systems and networks include  
11 all of the computer hardware, operating system software, stored text and data files. This includes but is  
12 not limited to, electronic mail, local databases, externally accessed databases (such as the Internet), CD-  
13 ROM, optical media, clip art, digital images, digitized information, communications technologies, and  
14 new technologies as they become available. The Board reserves the right to have all technology resource  
15 activity monitored.

16  
17 The Board's technology resources will be used only for learning, teaching and administrative purposes  
18 consistent with the Board's mission and its goals. Commercial use of the Board's system is strictly  
19 prohibited.

20  
21 When the periods of work are such that certain evenings, days or vacation periods are duty-free, the  
22 employee may use such off-duty time for the purposes of remuneration, provided all the following  
23 conditions are met:

- 24
- 25 1. The work in no way interferes with the degree of effectiveness of his/her work in the school
  - 26 system;
  - 27 2. The work in no way reflects detrimentally upon the school system or its prestige;
  - 28 3. Such outside obligations do not prevent the individual from assuming duties required by the
  - 29 regular position; and
  - 30 4. The individual does not receive remuneration for work which is customarily within his/her regular
  - 31 position.<sup>1</sup>

## 33 Support Personnel

34  
35 Support personnel shall not be prohibited from holding employment outside the school system so long as  
36 such employment does not interfere with regular and overtime scheduled duties for the school system.
