

SUMMER Message from North Canaan Elementary School

Friday, August 28, 2020

Click on the blue underlined links.

Hello Families,

Teachers are preparing videos to let you see your child's classroom. Early next week you will receive an email from your child's teacher letting you know your child's cohort (group A or B.) Please read the [letter through this link](#) for more information on distance learning.

*If you are in need of a **backpack** for your child to start school, please contact the main office: 860-824-5149.*

[Community Conversations on COVID-19--Medicine for the Greater Good](#): Dr. Galiatsatos of John Hopkins will be talking about the basics of COVID-19 with all interested from our community next Tuesday and Wednesday. Click the blue link for details.

The **Connecticut State Department of Education** has a new site that provides the COVID-19 data that will be used to assess the status level of school opening, whether we remain fully open (low infection level), switch to hybrid (moderate), or close (high.) We have added a link entitled [CT School Learning Model Indicators](#) to our COVID webpage.

[Reopening A to Z](#): I have made an update to the Drop-Off section. Please read the link to check for the door the middle school students will enter the school after you drop them off using the turnaround.

Summer Reading: We hope students have learned much reading *Hidden Figures* this summer. Remember to complete activities to earn raffle tickets to win one of the STEM prize baskets shown to the left. Submit your activities to your teacher on Tuesday, Wednesday, or Thursday, September 8-10. Prize baskets will be drawn Friday.

You can always reach me at aroy@nceschool.org.

Stay Safe and Well,
Dr. Roy
Principal
