Dawson Springs Student Selected Into State Scholar Program

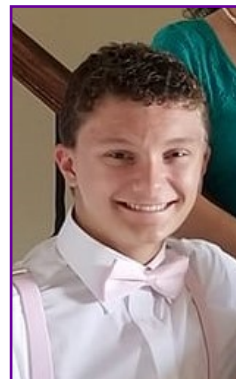

Excerpt from an article by Melissa Larimore

Dawson Springs junior **Gabe Workman** has been accepted into the elite Kentucky Governor's Scholars Program, a summer residential program hosted at selected universities across the commonwealth.

Students attend the program free of charge to their families. The program is funded by the Governor's Office, the State Legislature and private enterprises. The program lasts five weeks and features field trips, classes, seminars, speakers, special events and a film series. The host universities for GSP this summer are Morehead State University, Bellarmine University in Louisville and Centre College in Danville.

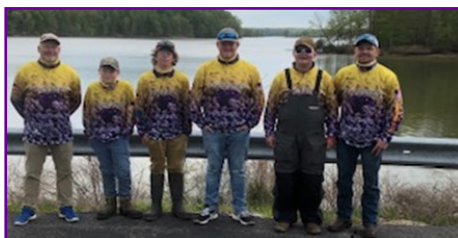

To apply, students must show academic excellence as well as list extracurricular activities and volunteer hours. The application must also include a written statement and letters of recommendation from a teacher and a community member.

Following high school graduation, Gabe hopes to attend Morehead to study aerospace engineering.

DAWSON SPRINGS BASS FISHING TEAM NEWS

Submitted by Marcella McCuiston

On April 17, 2021, Team members James Embry and Jacob Embry with Assistant Coach Frankie Purdy and Carlton McCuiston and Lane Purdy fished with Captain Joey

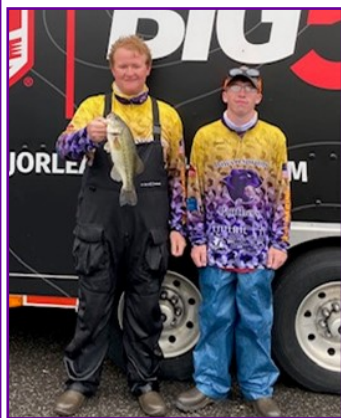

McCuiston on Lake Barkley with their best weigh-in to date!

The "Brothers" James and Jacob weighed in 7.14 pounds and Carlton and Lane weighed in 6.9 pounds.

We placed 15th and 25th out of 62 boats! WAY TO GO TEAM!!

April 23rd, we practiced for Regionals on Lake Barkley. We had a good practice day but the weather turned to a mini-monsoon for the tournament on April 24th and our teams

struggled. Carlton McCuiston and James Embry weighed in a 2.08 pound fish for 62nd place and Lane Purdy and Jacob Embry weighed in a 1.11 pound fish for 67th place out of 82 boats. Only the top 20 teams advanced to the state tournament in May. We have had a great season and are going to do some practice tournaments and a fundraiser tournament in May and June. More news to come in the next Newsletter.

6TH GRADE PHYSICALS & IMMUNIZATION REMINDER

From School Nurse Kathy Franklin

5th grade students can get their school physical now for their required 6th grade entry physical. It is better to get them done now before school starts back because doctor's offices will have limited availability closer to the beginning of next school year. If you would like the school nurse to complete the student's physical, please contact the nurse's office. We have done several and would be glad to help. Even if your student is virtual, we can schedule a time to do the physical or need immunizations.

Also, once 5th or 6th graders turn 11 years old, they will have more required shots that need to be completed. If your student has Medicaid or no insurance, the school nurse can provide the needed immunizations. If you need us to get your child updated, please contact us. If your child has private insurance, you will need to get the shots completed with your child's provider. 11-year-old students will require Tdap and Meningococcal vaccines. Also, highly recommended to get (but not required)

HPV vaccine. If you have any questions regarding vaccines or physicals, just call your school nurse. Even if you plan to get them with your provider, I will be glad to answer any questions you may have.

The paperwork included on pages 8 & 9 is required if you would like the school nurse to complete either procedure above. Additional information is included on page 7.

Dear Parent/Guardian:

School-based health clinics are a part of the Hopkins County Health Department and are available to provide:

Sick child assessment & treatment

First aid

Required screenings such as vision & hearing

Required school entry/6th grade/transfer school physicals

EPSDT (Medicaid preventive checkup)

Dental Care (Screening)

Immunizations for students who are uninsured, underinsured, or have Medicaid

Care plans and care for chronic illness

Other services as needed

The attached consent and general information form must be completed and signed in order for your child to be seen by the Hopkins County Health Department School-Based Clinic. Some of the information required is for statistical/reporting purposes. If you have any questions as to why some information is required, please ask.

There will be times during the school year when the school-based clinic will not be open or the nurse is not available.

There is **no charge** to students for using the school-based clinic.

NOTICE OF PRIVACY PRACTICES

Information/data may be shared with the Family Resource Center serving your child's school, other school-based clinics, and the Hopkins County Health Department. Information collected for the school such as vision/hearing/scoliosis screenings, school physicals, and immunizations will be shared with the school. Information regarding treatment for chronic illness or emergency treatment will be provided to necessary staff. Information may be shared to coordinate follow-up care after an emergency department visit. Sharing information will be done according to FERPA and HIPPA guidelines.
