ClassLink

ClassLink is a student portal designed to make it easier for students and their parents to have instant access to student web resources. Once logged in students just need to click on the websites that the school and teachers have set up to benefit your child. Your child's username and password are located on the back of this brochure. This is the only username and password you will need to remember to access multiple websites!

FOCUS

Focus is our student grade book and attendance program. You can check your child's progress anytime by logging into ClassLink using your child's username and password which are located on the back of this brochure.

I-Ready

i-Ready's adaptive diagnostic test pinpoints students' needs down to the sub-skill level. Students then work at their ability to increase in the areas of math, reading and language arts. You can access this site through ClassLink. The username and password to Classlink are on the back of this brochure.

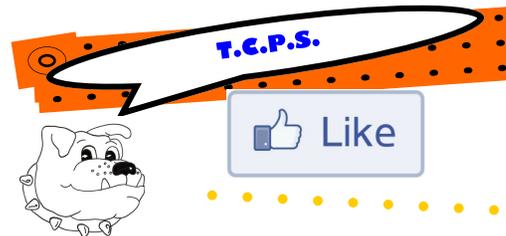

Student User Names and Passwords

ClassLink
Used to access student websites

Think Central

▶ The curriculum hub of all reading and math resources.
curriculum

This year your child will have access to Think Central. This website is very important to your child's development and progress. You can access Think Central through CLassLink. Access to ClassLink is located on the back of this brochure. Once you have accessed Think Central through ClassLink you can access "**My Library**". The sidebar on the left of the screen has links to **Mathematics** and **Reading**.

User Tips: This website works best with Mozilla Firefox or Google Chrome web browsers. These programs can be found as free downloads on the internet. Firefox can be found at https://www.mozilla.org/en-US/firefox/new/ . Google Chrome can be found at https://www.google.com/chrome/ . You may need to allow pop up windows for this website. Directions on how to accomplish this are at school website in the School Publications section: http://perryprimary.fl.tcpp.schoolinsites.com/

Think Central Features

Think Central houses the following features:

♦ **Mathematics**

⇒ Student Editions for each math lesson

⇒ Animated stories for each concept

⇒ Mega Math– Math games

♦ **Reading (Journey's Common Core)**

⇒ The reading story of the week (Student Edition)

⇒ Leveled Readers (Fluency Practice)

⇒ Decodable Readers (Phonics Sound-Spelling Practice)

⇒ Readers Notebook (extra practice for vocabulary, spelling, phonics, and more)

ClassDojo

ClassDojo is a communication app that you install on your smart phone. It allows teachers to connect with parents and share information about your child's day at school. Parents can see photos and stories that teachers post along with keeping up with your child's behavior. Using ClassDojo you and your child's teacher can message each other to share important information about your child.

Accelerated Reader

Accelerated Reader (AR) is a fun way for you and your child to practice reading comprehension. Your child can read one of the AR books at home or you can read it with them. The next day they can take the test at school. With your username you can log in and check your child's progress and get email alerts when they take a test. Perry Primary's library has many Accelerated Reader books available and they can also be checked out at the local public library. You can access this site through ClassLink. . The username and password are on the back of this brochure.
