June 30, 2020

Dear Bulldog Family,

The Alabama State Department of Education (ALSDE) recently released the guidelines for the reopening of public schools in the State of Alabama.

Piedmont City School's administrative team will utilize these guidelines in developing our plans for the 2020-21 school year. Included in the guidelines are recommendations for in-person, remote and blended instruction, health and wellness, cleaning and disinfecting, transportation, food service, extracurricular activities, and other school operations.

Based on current COVID-19 conditions, we plan for school to start on August 12th, 2020 as scheduled. Our administrative team will be finalizing our plans for returning to school in the coming days and weeks, and plan on releasing our plans by August 1st. All information will be posted on our system/schools websites and released on our social media platforms when completed.

Piedmont City Schools will be releasing a parent survey concerning back to school issues this week. Parent survey responses will be vital in the development of our return to school plans, and we strongly encourage your participation.

Thank you for your continued support and patience as we work to develop a plan that will provide meaningful instruction under the safest conditions possible.

Piedmont Proud!
