SCHOOL POLICIES AND PROCEDURES

Student Safety

Listed below are several policies that will be strictly enforced for the safety and well-being of our students.

1. Every outside door of the building will be locked with a sign posted requiring all non-school employees to check in at the school office.

2. Student Early Checkout: Only a parent or guardian, or a person certified in writing by the parent or guardian, will be allowed to check a student out of school. A phone call will not be accepted. NO EXCEPTIONS WILL BE MADE. There will be no check-outs after 3:05 except for verified doctor's appointments. Please work with the school so instructional time is not lost to disruptions.
3. Please be informed that visitors may be videoed or have pictures taken while on school property.
4. Any students involved in a fight may be suspended for 3 days and possibly have a disciplinary hearing.
5. Bicycles ridden to school must be walked to the appropriate racks where the bicycle will remain until school is out. Then they must be walked to the street. Skateboards are not allowed.

Suspensions/ALC/DCAC

Students who are suspended, in ALC, or DCAC will not be allowed to attend any school activity during time of suspension or alternative placement. Students may also not be able to attend field trips or participate in extracurricular activities. This will be the principal or his designee's discretion.

SCHOOL HOURS

School hours are from 8:00 a.m. to 3:40 p.m. Office hours are from 8:10 a.m. to 3:40 p.m. Doors open at 7:40 a.m. Parents will be responsible for students arriving prior to 7:40 a.m. or students still on campus after 4:00 p.m. unless the students are involved in a school sponsored activity. Students will go directly to their 1st period class upon arrival.

ATTENDANCE/EXCUSED ABSENCES

Students are expected to attend classes regularly, to be on time in order to benefit maximally from the instructional program, and to develop habits of punctuality, self-discipline, and responsibility. In order to receive a passing grade, students must satisfy the following:

1. For the purpose of compliance with the Mississippi Compulsory School Attendance Law, absences will be determined to be excused or unexcused. Each of the following shall constitute an excused absence:
 - a. Authorized school activity with prior approval of the superintendent or his designee;
 - b. Illness or accident which prevents attendance. The superintendent or his designee may require any necessary proof of illness or accident;
 - c. Absences due to isolation by the County Health Officer or State Board of Health;
 - d. Absences due to death or serious illness of a member of the immediate family. Immediate family includes grandparents, parents, brothers, sisters, stepbrothers, and stepsisters;
 - e. Court attendance where the child is party or under subpoena;
 - f. Observance of a religious event at the discretion of the superintendent or his designee;
 - g. Any other absence deemed to be valid by the superintendent or his designee.

Each time a student is absent, he/she must bring a note from the parent/guardian stating the reason for the absence. The same applies each time a student checks out from school. Students who miss more than two (2) consecutive days for illness or accident must provide a doctor's note for the days to be excused. Seven (7) absences due to illness may be excused by a note from a parent/guardian. Any additional absence after the seven (7) excused by a parent/guardian note must be excused by a note from a doctor or other documentation excusing said absence. Any documentation being given for excuse of absence(s) must be submitted to the principal or his/her designee within two (2) school days of returning to school, unless granted an exception by the principal for extenuating circumstances.

2. When a child has exceeded five (5) unexcused absences, the DeSoto County Attendance Officer shall be notified in writing by the school principal. Any further unexcused absences shall also be reported to the Attendance Officer.
3. A student must be present at school the majority of the school day to be eligible to participate in any school activity during or after the school day.

MISSISSIPPI COMPULSORY SCHOOL LAW

Under the Mississippi Compulsory School Attendance law a parent, guardian, or custodian of a compulsory school age child in this state shall cause such child to enroll in and attend a public school or legitimate non-public school. Under the provisions of this law, "compulsory-school-age-child" means a child who has attained or will attain the age of six (6) years on or before September 1 of the calendar year and who has not attained the age of seventeen (17) years on or before September 1 of the calendar year.

If a compulsory school age child has not been enrolled in a school within 15 calendar days after the first day of the school year which the child is eligible to attend or if a child accumulates 12 unlawful (unexcused) absences during the school year at the public school in which the child is enrolled, the parent may be taken to court and fined and/or jailed for educational neglect of the child. The penalty for this unlawful act is up to one year in the DeSoto County Jail and /or a \$1,000 fine.

Students in grades six, seven, and eight must satisfy the following:

Absences due to a death in the immediate family must be cleared and approved by the principal or his/her designee. (Immediate family includes parents, grandparents, brothers, and sisters including stepbrothers and stepsisters.)

A student is considered to be tardy when he/she is not in class at the scheduled time. Three incidents of tardiness to class will be considered as equal to one unexcused absence.

A student must consult the teachers on the day he/she returns to class following an absence to make arrangements to make up any work missed.

Absences due to suspensions are counted against the student toward the exemption policy.

The enforcement of this policy is the responsibility of the building principal.

GENERAL PROVISIONS FOR GRADING

Students must demonstrate mastery of the content required for each grade/course. The skills from the State of Mississippi Curriculum Structure are included. Content for grades 7-12 is determined by objectives listed in State Curriculum Structure.

Monitoring Student Progress

Each teacher has the responsibility for identifying pupils who are not making satisfactory progress toward the achievement of grade level or course objectives, particularly those objectives listed in the State Curriculum Structure.

Teachers are encouraged to notify parents during each grading period if students do not meet minimum requirements.

The following guidelines apply to all subject areas:

The DeSoto County School District requires that the State Curriculum objectives be included in the scope and sequence of every subject area. The school district provides a curriculum manual for each teacher.

Required lesson plans must follow the format developed and approved by the school district.

ALTERNATIVE PLACEMENT PROCEDURES

After a student is referred for consideration of placement at DeSoto County Alternative Center (DCAC), the District Review Board and Transition Team will determine appropriate placement for the student. Once a student is accepted into DCAC, the District Review Board and Transition Team will develop an Individualized Instruction Plan (IIP) for each student. The plan will follow the program and class schedule of the home school. DCAC follows the frameworks that are established by the state of Mississippi for the subject matter to be taught in each course. Certified personnel will send a daily feedback sheet home that requires a parent signature for all students attending DCAC.

An Individualized Education Plan (IEP) committee meets to determine every change of placement for our special education students. Students with special education rulings follow their IEP while at DCAC.

Parents are notified of the recommendation for placement at DCAC during the disciplinary hearing. The home school will contact the parent once acceptance is granted by the District Review Board. All parents and students will meet with a DCAC administrator to discuss the DCAC program and requirements. The minimum time that is required to complete DCAC is 30 school days, but the stay can be longer if the student does not progress properly.

The District Review Board consists of school-level administrators, district-level administrators, and counselors as determined by the Director of Pupil Services.

All athletes, cheerleaders, and dance team members are required to take this policy if they are not covered by other insurance. Please see the receptionist for more information.

Lockers

Lockers will not be assigned for the 2021-2022 school year. Students will be allowed to carry a backpack if they deem necessary. There will be a place in each classroom for students to place their backpack. This location will vary from room to room. The teacher will go over this information on the first day of school in their classroom procedures.

Lost and Found

All articles found in the school and on the campus should be turned in to the school's main office. It is strongly suggested that each student put his/her name in any outerwear worn to school. Each year, many jackets, sweaters, and coats are left at the school. Unclaimed items of clothing are given to charities.

Students will be allowed to keep a daily dose of non-prescription medicine and take as needed. The school will not administer non-prescription medicine.

Because of the buses, parents are requested not to block the school driveway entrance and exits. Parents letting students off in the morning should also observe this rule and use caution when allowing students to depart from cars. Unloading should be done as rapidly as possible to avoid congestion.

School Closings

In case of bad weather conditions when it would be unsafe for students to come or remain at DCMS, the superintendent will notify the news media of the closing as soon as possible.

For the discussion and consideration of a grievance, any student or group of students should request a meeting time and place with a school principal. One faculty member of the student's choice may be present at such meetings. Such time and place will be designated upon request.

Telephone Use

Students are to use the office telephone only in cases of real need, such as illness requiring a student to go home.

Due to the heavy volume of business in the school office, it is requested that parents do not call the school to have messages delivered to their children except in cases of emergency. Except in an extreme emergency, no student's class will be disturbed to receive a phone call. When time permits, messages will be delivered to students at the end of the period in which the messages were received. Student Technology Acceptable Use Policy

Dear Parent/Guardian & Student:

DeSoto County School System is pleased to offer students access to computer usage to enhance academic development and skills in using media that are commonly found in all aspects of our daily lives. DeSoto County Schools is CIPA (Child Internet Protection Act) and COPPA (Children's On-line Privacy Protection Act) compliant. Recognizing that no filtering solution can be 100% effective, it is understood that all technology protection measures do not and will not work perfectly. In complying with CIPA, DCS is expected to engage in a "good faith effort" to abide by the requirements of CIPA/FERPA. CIPA/FERPA does not create a private right to action, meaning that the discovery of objectionable material on a computer cannot result in a lawsuit complaining that a school violated CIPA/FERPA. Due to the fragile nature of the equipment being used and the nature of much of the material available over the Internet, this form must be signed by you and your child before use of the equipment will be allowed. The use of the Internet is a PRIVILEGE, not a right, and inappropriate use will result in a cancellation of those privileges and/or disciplinary action. The administrator of the school and/or the school technology committee will determine if an action is inappropriate use and their decision is final. This is a legal and binding document. As a DeSoto County School parent, I understand that my child is enrolled in the DeSoto County School System and will need to be able to use the computers/equipment at school. I understand, as well, that my child may be involved in research projects and class activities involving the Internet. As parent or guardian, I also understand that I will be responsible for my child concerning the following items:

1. Students will not use the Internet provided at their school for illegal purposes of any kind.
2. Students will not use the Internet provided at their school to transmit, receive, or view material that is pornographic in nature.
3. Students will not use the Internet provided at their school to transmit, receive or view material that is threatening or harassing in nature.

4. Students will not use the Internet provided at their school in an attempt to gain access or “hack” into computer systems that they have no permission to use.
5. Students will not use the Internet provided at their school to access any student records existing on the schools’ networks.
6. Students will not use the Internet provided at their school to propagate computer viruses.
7. Students will not use the Internet provided at their school for the purpose of lobbying or distributing of political information.
8. Students will not use the Internet provided at their school for commercial ventures of purchasing, selling, taking orders or placing orders. DeSoto County Schools is not responsible for credit card fraud and theft incurred by using personal or commercial credit card numbers on the Internet access provided at my school.
9. Students will not damage, abuse or misuse the equipment provided for their use at their school.
10. Students will not make changes to the screen or appearance of the desktop on computers provided at their school.
11. Students will not load games or other software brought from home or downloaded from the Internet onto the computers provided for their use.
12. Students will not attempt to bypass school internet filters by way of internet proxy sites.
13. Students will not use the Internet provided at their school to access social networking websites, chat rooms, instant messaging systems, etc.
14. Students will not use the Internet provided at their school to engage in Cyberbullying of any type.
15. Students will not use the Internet and/or computer to violate any state or federal law (i.e. Copyright law).

The above terms take into consideration the necessity for Internet access for educational purposes as well as personal development. The primary purpose of the Internet access provided by DeSoto County Schools is for research and discovery or educational media and information.

Section 504

A parent, staff member, student, or personnel may request a Section 504 Plan. This request may be made, in writing, to the school’s Section 504 Coordinator. A meeting will be scheduled, at the school, to discuss a student’s possible substantial limitation to access the facility and/or educational benefit.

No discrimination against any person with a disability will knowingly be permitted in any of the programs and practices of the DeSoto County School system.
