## **Western Line School District Safety Measures**

Avon, MS (October 30<sup>th</sup>) --- Due to the rising cases of Covid-19 in Washington County and the number of students and staff members who have been identified as close contacts outside of the school setting, the district has placed a large number of students and staff members under a mandatory quarantine. If your child has been exposed or in close contact, you have already been notified. Although we have not had any positive outbreaks within our schools, we feel it is necessary to take precautionary measures to maintain a healthy school environment.

The entire district will be returning to our full Virtual Learning Schedule for the week of November 2-6, 2020. During this time, the district will perform deep cleaning in all school facilities and on all school buses. We will resume with the Hybrid Learning Schedule on November 9<sup>th</sup> if we feel it is safe for the students to return to campus. Buses will continue to deliver breakfast and lunches to those students in need. If you do not have access to internet and your child needs a packet, please contact the school. If your child does not receive meals or learning packets from the bus on next week, please contact the school.

Those sports and athletic teams who have not been placed under mandatory quarantine will be allowed to continue with practice and activities during the week of November 2-6, 2020. If your child's sports or athletic team has been placed on mandatory quarantine, then you have been notified.

Thank you for your continued support and patience as we work to educate our students in a safe environment.
