

## Transportation Notes

Please be sure to send a car/bus note to your child's teacher each morning if their regular transportation has changed for the day.

We understand transportation issues change unexpectedly and you will have to call the school. Our staff has to fill out car/bus notes each day on your child and by sending a note with your child will help in this process.

Also, when unexpected transportation changes arise, please try to phone the school by 1:00 pm each day.

Thank You,  
Blue Springs Elementary School
