THE SLATER SCHOOL SONG **"YOU'RE A GRAND OLE SCHOOL"**

You're a grand old school.
You're a high ranking school.
You're the best in the west
We all say, "SLATER"
Where the kids are smart,
They do their part.
We're loyal to you every day.

Let your voice sing bright
For our own red and white.
You're the best school we'll ever see.
But should auld acquaintance be forgot, SLATER BULLDOGS, WE'LL ALWAYS BE!!

What You Can Do to Help Your Child Learn:

- A. Start each day right; a calm beginning at home makes the school day much better.
- B. Encourage your child to have a good breakfast and lunch.
- C. Make sure your child sleeps at least eight hours each night.
- D. Praise your child each day for something he/she has done.
- E. Have a special place to put schoolwork or whatever is brought home.
- F. Laugh and talk with your child about school experiences and listen attentively to what is said about their school day experiences.
- G. Stress attendance. If your child is ill, home is the best place; otherwise your child needs to take advantage of every school day.
- H. Keep the lines of communication open between yourself and your child's teacher. Inform the teacher of any family situation, which could influence your child's behavior. Also, if he/she is reluctant to go to school let the teacher know so that together we can find the reason.
- I. Take your child to the library and encourage reading for pleasure.
- J. Stress organization of school notebook, materials, etc.
- K. Make sure your child has the necessary supplies (pencils, paper, glue etc.)
- L. Work at home on the skills taught at school.

PREFACE

The material covered within this student handbook is intended as a method of communicating to students and parents regarding general district information, rules and procedures and is not intended to either enlarge or diminish any Board policy, administrative regulation or collective bargaining agreement. Material contained herein may therefore be superseded by such Board policy, administrative regulation or collective bargaining agreement.

Any information contained in this student handbook is subject to unilateral revision or elimination from time to time without notice.

ASSEMBLIES

A student's conduct in assemblies must meet the same standard as in the classroom. A student who does not abide by the district's Student Code of Conduct during an assembly shall be subject to disciplinary action.

ASSIGNMENT OF STUDENTS TO CLASSES

Students are assigned to classes based on the individual needs of the student, staffing and scheduling considerations. Parent requests to place a student in a particular class may be submitted to the principal prior to **May 1** of the school year in question. Requests to change a student's assigned class at other times must be directed to the principal. Final decisions are the responsibility of the principal.

ATTENDANCE**

Hybrid: Students are assigned and are expected to report to campus two days a week, either A days or B days. The off days, students are required to complete assigned work and check in with their assigned teacher. Henry L Slater is a four day per week school, with some built in school in-session Fridays. For the 2020-2021 school year, students enrolled in the A days, will report to school on these scheduled Fridays.

Absence and Excuses

When returning to school after an absence, a student must bring a note signed by the parent that describes the reason for the absence.

Absence from school or class will be excused under the following circumstances:

1. Illness;
2. Emergency situations that require the student's absence;
3. Medical or dental appointments. Confirmation of appointments may be required.

A student who must leave school during the day must bring a note from his/her parent. A student who becomes ill during the school day should, with the teacher's permission, report to the office. The teacher decides whether or not the student should be sent home and the office will notify the student's parent, as appropriate.

A student who has been absent for any reason is encouraged to make up specific assignments missed and/or to complete additional in-depth study assigned by the teacher to meet subject or course requirements. Parents should contact the office to arrange for the collection of homework assignments for a student who will be absent several days. Failure to make up assigned work within a reasonable amount of time as allowed by the teacher will result in a grade of zero for the assignment. The teacher will need at least a day's notice to get make-up work ready.

When parents or legal guardians are aware in advance that their child will be absent from school, they should notify the school in writing or by phone at least 24 hours prior to the absence and make arrangements for the student to obtain homework assignments. Absenteeism will not be used as a sole criterion for the reduction of grades.

Tardies

Unexcused tardies will result in notification of the parent or legal guardian with a possible conference recommended. Students arriving to class after 8:00 am are tardy.

Truancy

A student who is absent from school or from any class without permission will be considered truant and will be subject to disciplinary action including detention, suspension, expulsion, ineligibility to participate in athletics or other activities and/or loss of driving privileges. A student shall be considered to have withdrawn from school if the student has more than 10 consecutive days of unexcused absence. Failure to send a student to school is a Class C violation.

COMMUNICABLE DISEASES**

Henry L Slater will follow all district, local and state guidelines in regards to any communicable disease concerns and protocols. At no time at Henry L Slater will we tolerate blatant disregard to the rules set forth by these agencies. Any blatant disregard to the rules will be handled at the administrative level immediately.

LUNCH/BREAKFAST PROGRAM

The district participates in the National School Lunch, School Breakfast and Commodity Programs and offers free and reduced-price meals based on a student's financial need. School breakfast is served free of charge to all students.

Charging a meal is strongly discouraged. Charging is to be used only in the event of an emergency if the student has forgotten cold lunch or meal money. Students can't have more than three charges; students will not be allowed to charge anymore and may be asked to bring a sack lunch from home until charges are paid. If the parent is in financial difficulty for even a short period of time, the free/reduced meal program is available and should be used. Please feel free to call the Food Service Director, Channon Rebeiro at 541-573-7170.

Students are not allowed on the playground until after 4:30 p.m.

SEARCHES**

District officials may search the student, his/her personal property and property assigned by the district for the student's use at any time on district property or when the student is under the jurisdiction of the school. Such searches will be conducted only when there is reasonable suspicion to believe evidence of a violation of a law, Board policy, administrative regulation or school rule, or the Student Code of Conduct is present in a particular place.

Searches will not be excessively intrusive in light of the age, sex, maturity of the student and nature of the infraction. Strip searches are prohibited by the district.

District officials may also search when they have reasonable information that emergency/dangerous circumstances exist.

District-owned storage areas assigned for student use, such as lockers and desks, may be routinely inspected at any time. Such inspections may be conducted to ensure maintenance of proper sanitation, to check mechanical conditions and safety and to reclaim overdue library books, texts or other instructional materials, property or equipment belonging to the district. The student will generally be permitted to be present during the inspection.

Items found which are evidence of a violation of law, policy, regulation or school rule, the Student Code of Conduct may be seized and turned over to law enforcement or returned to the rightful owner, as appropriate.

Questioning

Should law enforcement officials find it necessary to question students during the school day or during periods of extracurricular activities, the principal or designee will be present, when possible. An effort will be made to notify the parent of the situation.

Parents are advised that when an Oregon Department of Human Services or a law enforcement official is questioning a child whom the investigating agent believes may have been a victim of abuse of a child, the investigator may exclude district personnel from the investigation and may prohibit personnel from contacting parents.

Students with Disabilities

The school provides programs and services for students with disabilities. A student or parent with questions should contact the special education teacher.

Access/Release of Education Records

By law, both parents, whether married, separated or divorced, have access to the records of a student who is under 18 years of age, unless the district is provided evidence that there is a court order, state statute or legally-binding document relating to such matters as divorce, separation or custody that specifically revokes these rights.

Parents of a minor, or an eligible student (if 18 years of age or older), inspect and review education records during regular district hours.

Requests for Education Records

The district shall, within 10 days of a student seeking initial enrollment in or services from the district, notify the public or private school, education service district, institution, agency, detention facility or youth care center in which the student was formerly enrolled and shall request the student's education record.

Student Restraint and Seclusion

In an emergency, physical restraint and/or seclusion may also be used by a school administrator, teacher or other school employee as necessary when the student's behavior imposes a reasonable threat of imminent, serious bodily injury to the student or to others. The use of physical restraint/seclusion under these circumstances is only allowed so long as the student's behavior poses a threat of imminent, serious physical harm to themselves or to others.

Parents will be notified if their student has been restrained or secluded as described above.

TALENTED AND GIFTED PROGRAM**

The district's TAG program and service options will be developed and based on the individual needs of the student.

TOBACCO FREE ENVIRONMENT

Harney County School District #3 campuses are all alcohol, drug and tobacco free. District Policies- JFCK, JBK, KGC.

TRANSPORTATION OF STUDENTS

Transportation is provided to and from school, by the District. Students must follow the school, district, and bus rules. Riding privileges may be suspended for violation of rules. All students are in-serviced in the fall regarding bus safety.

Elementary (Kindergarten-5th Grade) Consequences

If a student chooses to misbehave on a school bus the following disciplinary procedure will be followed:

Any disrespect to the bus driver moves the student automatically to Step 2 and 10 days off the bus.

- Step 1** Driver will say student's name - warning
- Step 2** Driver will write student's name and give student a warning notice. The building principal will receive a bus incident report. Student will receive the following consequences: serve one detention and write an apology letter to the bus driver. Parents will receive a copy of the incident report.
- Step 3** Driver will give student a second check. The building principal will receive a second bus incident report. Student will receive the following consequences: serve two detentions and write an apology letter to the bus driver. Parents will receive a copy of the incident report.
- Step 1-3** **will start over at the beginning of each trimester.**
- Step 4** Driver will write the student a citation and give it to the building principal. At this point, the student will be in the citation process.

Severe behavior such as fighting, disobeying the bus driver, and stopping the bus from running smoothly will result in going immediately to Step 4.

- First Citation:** A citation will be issued by the driver. The building principal will send a letter to the parent/guardian, requesting a conference within five school days. Failure of the parent/guardian to phone or appear will result in loss of bus riding privileges until such time as a conference is held.
- Second Citation:** When a student receives a second citation during a school year, the student will lose bus-riding privileges for a minimum of ten school days. Before the student is allowed to ride the bus, a parent conference must be held with the building principal, transportation supervisor, and bus driver.
- Third Citation:** When a student receives a third citation during a school year, the student will lose all bus riding privileges for the rest of the year.

At the beginning of each trimester students will start over on Step 1 of the discipline procedure if they have not reached Step 4. If a student has reached Step 4, and is given their first citation, they will not start over each trimester; they will proceed in the citation process.

All citations must be signed by the parent/guardian, the transportation supervisor, the bus driver, and the principal before the student will be allowed to ride the bus again.

If a student or parent wishes to appeal the application of the discipline policy, the steps outlined below should be used. If the student or parent wishes to complain about a school employee's decision, use Policy KLD - Complaints About School Personnel. The students will remain off the bus until the appeal process is completed.

Kindergarten students riding home on the school bus will receive **Hand-in-Hand** delivery; they will not be let off the school bus unless there is someone there to meet them or accompanied by a sibling. The third time a parent fails to meet the bus during the year the child will lose transportation privileges for the remainder of the school year and parents will have to provide their own transportation.

Bus Boarding Procedures

Bus drivers will: Visually screen students for illness , Maintain logs for contact-tracing. Support staff will be on each bus for attendance and physically checking symptoms.

Parents using school transportation will be required to be at the bus stop with their children until the visual screening by the bus driver is complete.

Call parents should a student with physical signs of sickness be picked up and brought to school. Clean and disinfect the bus after each route is completed.

Parent Pick Up, Drop Off, and Parking

Before School Drop Off:

Student drop off is **in front of the school on Fairview Street.** Students will be screened and then will be directed to their zone on the playground.

After School Pick Up:

Parent/Staff Parking:

Unattended vehicles along the curb on Fairview Street are permitted from 8:30-2:30. Parents may use the staff parking lot by the bus pick up on some occasions. Many other personnel use this parking lot, and it can be busy. **Do not pick up or drop off your child in the staff parking lot.**

Parent Pick Up

Parents picking up their children after school must wait outside for students to be released.

Bicycles ridden to school by students must be parked in the designated area on school grounds and should be locked. Students under the age of 16 must wear a helmet as required by law.

Family Involvement Plan
Henry L. Slater Grade School

Slater Elementary School vision: Slater School Scholars support a collaborative and engaging learning environment where children come first and all are enriched in a love of learning.

The Title 1-A program at Slater Elementary School is a collaborative effort involving the student, the teacher, and the parents who work together to achieve high student performance.

1. Each year, an annual parent information opportunity will be held. This opportunity will be used to review the Family Involvement Plan, School-Parent Compact, School-wide Plan, as well as to invite parents to observe, volunteer, or join the Leadership Team for the purpose of reviewing the Compact and Family Involvement Plan. Parent and community member suggestions for revising the Compact or Family Involvement Plan, as well as ideas regarding Slater activities will be taken at this time to potentially be implemented the following year. If you are interested in observing or volunteering in your child's classroom, please be sure to schedule a time with the teacher and check in at the office for a visitor badge. If you are interested in helping develop the School-Wide Plan with the Leadership Team, let the office know. We will be updating the plan for next year in March/April.
 2. Invitations will be sent to parents from each grade level, or classroom teacher, inviting them to attend their Reading and Math night for parents. These evening events are intended to provide families with training, resources, and materials to support their child's academic success at home.
 3. Teachers will communicate with parents regarding their student's progress at least once every 8 weeks. These contacts may be made via telephone, written communication, or parent meetings.
 4. A description of classroom expectations will be presented to parents in a manner chosen by the classroom teacher. Parents are encouraged to review all grade-level curriculum standards at <http://www.corestandards.org/>.
1. Title 1-A notices will be translated into Spanish upon request. All Title 1-A workshops will offer translation in Spanish if needed.
 2. Parent and community feedback is always welcome and encouraged.
