## CLASSROOM NEWS

Since our class Valentine Party was today and we didn't get to finish our Valentine lesson, I decided to push back Dental Health Week and finish our Valentine lesson.

Monday-flip & color hearts

Tuesday-painting with heart cookie cutters

Wednesday-catch up day & our first H.A.L.O. class

Thursday-VALENTINE PARTY

Friday-play-doh with heart cookie cutters

This week our books are Froggy's First Kiss, Dinosaur Valentine & The Night Before Valentine's Day.

Special THANK YOU to our Valentine Party parents! I know it was a crazy couple of weeks with the weather so thank you for being patient with rescheduling the party and being prepared for the new date! The kids had a great time, as always!
