**NIELSEN has released its JUNE 2019 Audio Today report, offering insights regarding listening trends.**

AM/FM radio notably stands out from the crowd: radio reaches more Americans each week (92%) and 272 million Americans than any other platform.

The company notes, "If there's one thing we've learned about radio, it's that its mass appeal has been consistent over time as America's top reach medium. The

original electronic media, radio continues to reach more Americans than any other platform measured by NIELSEN. Among adults 18+, radio reaches 92% of U.S. adults every week."

### *Highlights from Letters to Power 88*

I grew up chosen by God. A young child devoted without strong family guidance but on my own will and love for God. As a young teenager, emotional devastation hit me and Satan fought to sway my heart and mind with all his might. I fell and I fell hard. A marriage and three children later I finally broke to my knees again as my eldest son of 18, kind hearted and good natured made a mistake that can cost him so much. I learned that Satan will use every weakness to keep you. We are still dealing with this situation but in turning my heart back to God I vowed that I would stand up against the demons in my life

with my eyes fixated on my Heavenly Father and show my family and those in my life that it is never too late and you can touch many with little through God's power. My son is now devouring the Word of God with inquisitive and devoted thirst. My husband is seeking the truth, which is a miracle in itself. I have turned my life over to God, learning His Word with the desire to share it with everyone I come in contact with. Power 88 has lifted my spirit, helped strengthen my faith and quench my thirsting soul. God Bless your radio station. I am so grateful that God has placed your station in my life. I listen to Power 88 any time my radio is playing.
