2:00	Theme Intro: Karen Lippert Life is Hard. It just is. It doesn't matter if you're a non-believer, baby Christian or you've been a dedicated follower of Jesus for your whole life. Following Jesus does not make life easier. In fact, if you're doing it right, it should make your life more difficult. When you look at what happens at the end of your life, though, eternity in the new heaven and earth w Jesus in perfection, that perspective makes all the struggle and unbearable difficulty...worth it. This shift in perspective is exactly what the Apostle John is teaching a young Church in a city called Smyrna. A Church undergoing a persecution that will get more difficult. The hope they have is not going to be realized on this side of life, but what is waiting for them after this suffering is so amazing, that they can endure through difficulty. We pray that you learn and apply this same lesson to yourselves today as you endure the difficulties of life that you experience.	Switch to person speaking in band	Worship Leader

I raise a hallelujah in the presence of my enemies
I raise a hallelujah louder than the unbelief
I raise a hallelujah my weapon is a melody
I raise a hallelujah Heaven comes to fight for me

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

I raise a hallelujah with everything inside of me
I raise a hallelujah I will watch the darkness flee
I raise a hallelujah in the middle of the mystery
I raise a hallelujah fear you lost your hold on me

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise
Death is defeated the King is alive

Sing a little louder: in the presence of my enemies
Sing a little louder: louder than the unbelief
Sing a little louder: my weapon is a melody
Sing a little louder: Heaven comes to fight for me

Sing a little louder: in the presence of my enemies
Sing a little louder: louder than the unbelief
Sing a little louder: my weapon is a melody
Sing a little louder: Heaven comes to fight for me
Sing a little louder

I'm gonna sing in the middle of the storm
Louder and louder you're gonna hear my praises roar
Up from the ashes hope will arise

I raise a hallelujah, I raise a hallelujah
I raise a hallelujah, I raise a hallelujah

Walking around these walls
I thought by now they'd fall
But You have never failed me yet
Waiting for change to come
Knowing the battle's won
For You have never failed me yet

Your promise still stands
Great is your faithfulness, faithfulness
I'm still in your hands
This is my confidence
You've never failed me yet

I know the night won't last
Your word will come to pass
My heart will sing Your praise again
Jesus you're still enough
Keep me within Your love
My heart will sing Your praise again

Your promise still stands
Great is your faithfulness, faithfulness
I'm still in your hands
This is my confidence
You've never failed me yet

Your promise still stands
Great is your faithfulness, faithfulness
I'm still in your hands
This is my confidence
You've never failed me yet

I've seen you move, You move the mountains
And I believe, I'll see you do it again
You made a way where there was no way
And I believe I'll see you do it again
I've seen you move, You move the mountains
And I believe, I'll see you do it again
You made a way where there was no way
And I believe I'll see you do it again

I've seen you move, You move the mountains
And I believe, I'll see you do it again
You made a way where there was no way
And I believe I'll see you do it again

Your promise still stands
Great is your faithfulness, faithfulness
I'm still in your hands
This is my confidence
You've never failed me yet

The weapon may be formed but it won't prosper
When the darkness falls it won't prevail
'Cause the God I serve knows only how to triumph
My God will never fail, my God will never fail

I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord
I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord

There's power in the mighty Name of Jesus
Every war He wages He will win
I'm not backing down from any giant
Cause I know how this story ends, yes I know how this story ends

I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord
I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord

I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord
I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord

You take what the enemy meant for evil
And You turn it for good, You turn it for good
You take what the enemy meant for evil
And You turn it for good, You turn it for good
You take what the enemy meant for evil
And You turn it for good, You turn it for good

I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord
I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord

I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord
I'm gonna see a victory, I'm gonna see a victory
For the battle belongs to You Lord
