

**DOCUMENTATION OF TWICE-EXCEPTIONAL PROVISIONAL ELIGIBILITY
DETERMINATION LSC MEETING**

Potentially Twice-Exceptional Student Eligibility Criteria as per the Regulations for the Gifted Education Programs in Mississippi:

A student who already has an eligibility ruling under IDEA and who is being assessed for an intellectually gifted eligibility, and who did not satisfy the minimal acceptable criteria on the individual test of intelligence shall have their results reviewed by the LSC and a licensed examiner. If the student scores at or above the 91st percentile on the nonverbal scale, or who in the opinion of the reviewing committee would benefit from participation in the intellectually gifted program, the student may be granted a provisional eligibility for the intellectually gifted program for a period of one year. At the end of that year, the student's teacher of the gifted shall meet with the review committee to discuss the student's performance in the program. If the student has demonstrated success in the program, the LSC shall change the eligibility status from provisional to regular eligibility. If the student has not been successful in the program, the provision eligibility shall be revoked.
