## **Eligible Participants**

Principals, Site Coordinators, Guidance Counselors and Classroom Teachers will collaborate in determining at-risk students who meet the criteria for the program. Site Coordinators and Teachers will identify students with the greatest need, and those with the risk of failing or falling behind will be given first priority to attend the program. Site Coordinators will establish a first and second priority list at each school; these students will be added to the waiting list.

Students in the program at each school must meet specific criteria including at least one of the following:

- Score within the Tier 3 on the district's universal screener
- Be identified as Lowest Performing Student (LPS) on state assessment(s) and/or the district's benchmark assessment
- Be at risk of educational disadvantage and/or at risk due to circumstances such as low income, abuse, neglect or disability
- Be eligible for free/reduced lunch
