- It has been a slow month for our mask fundraiser, with only 9 masks sold. We have over 200 maroon masks packaged and ready to go out! Thank you to everyone who has participated so far. And for those who have not gotten the chance, there is still time to show your school spirit!
- With no opposition, the REACS Executive PTO Board has been re-elected for the 2021-2022 school year! Congrats!
- On behalf of the Rochdale staff, Ms. Hover expressed gratitude for Teacher's Appreciation Day gifts and well wishes.
- There will be a summer program for grades pre-K to 7th. Mandated Scholars, whose teachers already discussed with parents, will be primarily attending. The school will offer available seats, based on the remaining available seats. There will be more details to come.
- The summer program will be Monday through Thursday, no Fridays, except the first week. Due to July 4th being celebrated on the 5th, the Summer Program will begin on Tuesday, July 6th and that week, classes will end on that Friday. The following weeks will be Monday to Thursday, culminating on August 5th, which is the last day. More details will be sent out.
- Raz Kids and I-Ready will be available for all Scholars over the summer.
- We will be collecting devices. You must return them. We must install another program on the devices. We will specify when they can be returned to the school.
- Shout out to Mr. Anderson for winning the Teacher give-away! He won a gift card and school mask!
- Thank you Ms. Smalls of Fit Body Studios for the Dance Cardio family and fun night!!!
- Parents, please stay involved. It is never too late. Your support is vital. Communication is key. If you have any questions or concerns, please reach out to the PTO at reacspto1@yahoo.com at any time.
