## **RULES**

- \* RESPECT AT ALL TIMES!!
- \* Follow all directions/procedures given
- \* Do not get up without permission during instruction

## **ENTERING THE ROOM**

- \* Have supplies ready for class. (notebook, paper, pencil)
- \* Pick up your assigned calculator
- \* Turn in assignment before the bell rings for full credit

## **LEAVING THE ROOM**

- \* The dismissal bell is your key to pack up
- \* If you finish your assignment early, you may work on something else. You may not sit with an empty desk.
- \* Please return calculators and all classroom supplies to their homes before leaving

## **CLASSTIME AND ASSIGNMENTS**

- \* ALL class notes and example problems covered in class are important! Even if you are working in teams, each student is responsible for their own notes. Test and Quizzes will come from the examples
- \* ALL WORK IS CLASSWORK. If it is incomplete it will become homework when the bell rings.
- \* You will turn in an assignment EVERY day! It will be graded on completion unless instructed otherwise.
- \* You will have 2 vocabulary test this semester

## **MAKE-UP WORK**

- \* If you absent, you will always have something that needs to be made up. Is it your responsibility to check the assignment board for missed information and assignments and to pick them up from the teacher. You have 1 day per day missed to hand in your assignment.

## **BELLWORK**

- \* Bellwork is to be completed daily.
- \* Put the Bellwork Number and date at the top of your bellwork each day
- \* You will turn in bellwork on test day for a Quiz grade.

## **EXTRA HELP IS AVAILABLE!**

If you have specific homework questions feel free to send them to my remind and I will get back with you.

I have duty in front of the cafeteria every morning and will be happy to answer questions

Homework help is available for CPM Geometry Connections, and it is free! [www.cpm.org](http://www.cpm.org)
