

Dear Parents/Guardians:

Inside this envelope, you will find five stapled packets for five different NTI snow days. **Please put this envelope in a safe place until needed for designated NTI snow days.** You will know which NTI snow day packet to work on via Notify Me notifications, Classroom DoJo, district Facebook, Twitter, local radio announcements, and school notices. Please stay tuned!

NTI Snow Day Instructions:

- Each packet in the envelope has a cover page showing activity options for each subject area. Each cover sheet is labeled Day 1, Day 2, etc. Work only on the activities for the NTI Day(s) designated.
- Choose one activity for each subject area. Students will be required to complete a math activity, reading activity, writing activity, science or social studies activity, and a special area activity each NTI snow day.
- One of the activities for each subject is always a pencil/paper option. There may also be a digital option, requiring internet access. Students may choose either activity to complete. **Students choosing a digital option that requires a Google application will need to login to their school Google account with their school email address and password.** All student login information for other websites is written on the NTI envelope.
- To access all materials and websites for the digital option, go to the district website www.breck.kyschools.us. Click the link on the left labeled **NTI**. This will take you to an elementary folder where you can access each grade level cover page. You can then access each activity by clicking links within the cover page. **When the digital activity is completed your child will need to share his/her work with his/her teacher.**
- If the pencil/paper option is chosen, simply complete the packet materials provided for the activities chosen. **Students should be prepared to turn in all completed paper assignments on the first day they return to school.** There is extra paper in each NTI envelope, if needed.
- At the bottom of each day's cover page, please circle the activity option chosen for each subject area, and parents should initial. **All cover sheets should be turned in on the first day students return to school.**

Special Area Teachers Contact Info:
