

# Bob Schultz Memorial Math Scholarship

## GENERAL STATEMENT

Former Verndale teacher, Bob Schultz, had a passion for math and student learning. He had a gift to help each student understand math concepts regardless of their ability level. Mr. Schultz appreciated and enjoyed any student who worked hard in and out of his classroom. The family of Bob Schultz wishes to encourage seniors graduating from Verndale High School to pursue educational training at the post-secondary level. The graduating senior must be planning to continue his/her education at a college, university, community college, or technical college. Preference will be given to a student who excelled in the math department. The award amount will be **\$250.00**.

## QUALIFICATIONS

1. The applicant must be a graduating senior at Verndale High School.
2. There will be no restrictions as to race, sex, creed or national origin.
3. The applicant must attach a copy of the scholarship resume to this cover page.

## SELECTION PROCEDURE

The selection committee shall be members of the math department and administration. The committee shall review the applications on the basis of:

1. Enrollment in two or more college-level math courses
2. Aptitude in mathematics
3. School leadership skills
4. Participation in school and community activities

**\*\*The scholarship will be paid to the individual at the beginning of the second term upon proof of registration for second term classes.**
