HANDBOOK GUIDELINES

In the event of a discrepancy between any of the information contained in our orientation materials, the Employee Handbook and the Cumberland County Schools Board Policy, Board Policy will govern. The purpose of this handbook is to provide information that will help with questions and pave the way for a successful career with Cumberland County Schools "CCSchools". This handbook is neither a contract nor a substitute for the official Cumberland County Schools Board Policy; rather, it is a guide to and brief explanation of these policies. Not all of the Cumberland County Schools Board policies and procedures are included in this handbook; however, those that are have been summarized.

For more information, employees may refer to the policy codes that are associated with handbook topics, confer with their supervisor, or call the appropriate Central Services department. It is the employee's responsibility to be knowledgeable of and adhere to Board Policies and Procedures. Updated versions of the CCSchools Board Policy Manual can be found at: www.ccschools.k12tn.net. Legal and local board policies that relate to a particular topic are referenced in this Employee Handbook.

Should you have any questions this handbook does not answer, please contact your principal or immediate supervisor.

Questions and comments should be directed to the Human Resources Office at 931-484-6135.

EMPLOYMENT AT WILL

As an employee of the Board you have the right to terminate your employment at any time. Likewise, the Board retains the right to increase, reduce, transfer, or terminate its staffing. Board employment, therefore, has always been considered "at will" permitting either party to freely end the employment relationship at any time, in accordance with Board policy, and the current Memorandum of Understanding with the Cumberland County Education Association (CCEA) and Title 49, Tennessee Code Annotated (TCA).

Only the Board has the authority to enter into an employment contract with any individual employee and it must have a definite duration and be in writing. If you should choose to resign, the Board and the Director of Schools (Director) would appreciate as much notice as possible, preferably thirty days. This will allow time to find a properly qualified replacement.

BOARD RESPONSIBILITIES

The Cumberland County Public School System is established and governed by the following:

- (A) The Constitution of the State of Tennessee
- (B) Statutes created by the State Legislature and specifically those governing education and contained in § Title 49, TCA
- (C) Other applicable federal, state and local laws
- (D) The rules, regulations and minimum standards of the State Board of Education
- (E) The policies, rules and regulations of the local Board of Education

The Cumberland County School System is governed locally by an elected nine-member Board that is responsible for the operation of the schools in compliance with these Constitutional provisions, statutes, rules and regulations. The system is currently comprised of two secondary schools, nine PreK-8 elementary schools and an alternative school. The Board also assists in selected social services to the community.

It is the Board's duty to hire the Director of Schools and delegates authority to him/her to recommend principals, assistant principals, supervisors, teachers, attendance teachers, educational assistants, clerical/administrative personnel and other licensed and non-licensed support personnel as required to carry out its educational mission.

Further, the Board is empowered to establish salaries and benefits for authorized positions and to establish and approve policy, procedures and programs for its employees. The Board is further responsible for giving the Director full administrative authority to properly discharge the professional duties of his/her office, and hold him/her responsible for acceptable results. The Director works within the framework of policies established and approved by the Board.

Generally, the Director is responsible for the operation of the school system. Some of his/her more important duties include preparation of the annual budget, to recommend personnel for hire, rehire, termination and transfer. Also, to make recommendations to the Board as may be in the best interest for the entire system. Specific responsibilities of the Director are outlined in Title 49, TCA.

SALARY INFORMATION

Certified Employees

Certified employees are compensated based upon a salary schedule that is approved each year. The salary is based upon two factors:

Acceptable Experience

All experience for salary purposes should be verified on the appropriate form (copy of form is available in the Human Resources Office). The experience must be submitted to the State of Tennessee on or before December 1 in order to receive credit for the current school year.

The following types of experience are acceptable:

- Verified administrative, supervisory and teaching experience in public schools or private schools approved by recognized accrediting agencies or approved by the Tennessee Department of Education.
- Full-time higher education teaching experience in an institution approved by a regional accrediting association (must be as a full-time voting member of the faculty).
- Teaching experience in Department of Defense K-12 schools overseas.
- Up to a maximum of five (5) years of active military service in the armed forces of the United States. Military service in the Reserve or National Guard, other than active duty, is not counted. A legible copy of one's DD-214 must be provided.
- Experience gained with a recognized accrediting agency such as: the Southern Association of Colleges and Schools or other regional association of colleges and schools; the Departments of Education in the respective states; and for foreign teaching experience, verified with a letter on the respective country's Ministry of Education letterhead indicating that the school in which the experience was gained was an approved Ministry of Education school.
- **In Tennessee, specifically**, the following are recognized approval agencies: the Tennessee Department of Education, the Tennessee Association of Christian Schools, Harding Academy of Memphis, Mississippi Private School Association, Catholic Diocese of Nashville, Association of Christian Schools International, Southern Conference of the Seventh Day Adventist, Kindercare, the Tennessee Association of Non-Public Academic Schools (TANAS), and Catholic Diocese of Knoxville and Memphis.

- Teachers hired mid-year must work a minimum of 101 days to advance to the next salary step the following year.

Acceptable Education

The education factor in determining a teacher’s acceptable salary rating is taken **only** from the teacher’s license. Only the degree appearing on the license is used. College or university course work must be completed on or before August 31 of the current school year to be counted toward the academic training factor in salary calculation. Documentation of change must be filed with the TN Department of Education on or before December 1 of the current school year.

The educator must file an application with the Office of Teacher Licensing amending the license to show additional degree/education earned. If a valid license is not obtained by June 30 of any year, the experience for that year will not be added to the teaching experience for salary rating purposes.

Certain Board approved extracurricular duties are compensated by means of a local supplement to teacher’s pay.

Classified Employees

Most classified employees are compensated based upon a salary schedule that is assigned to their position. The salary schedule is designed to give each classified employee an increase based upon his/her years of experience with Cumberland County Schools, provided the employee was hired prior to December 31 of the calendar year in which he/she is working. Those classified employees hired after December 31 will not receive a year of experience until the end of the following school year. Each year the amount of salary increase for the base salary will be contingent upon the approval of the Board of Education and funding by the County Commission. Certain day care positions or grant funded positions may not qualify for step increases.

Classified personnel who are compensated on a salary schedule will be given credit for previous work experience based upon the following criteria:

- Experience must be verified in writing from the previous employer.
- Only experience related to the position in which the employee is working will be allowed. For example, a teacher assistant would only be eligible for previous experience as a teacher assistant; a secretary would only be eligible for previous experience as a secretary, etc.
- Credit will be given for 50% of related prior experience up to a maximum of 5 years.
- The decision to grant experience for previous employment rests solely with the Director of Schools.
- Experience verification must be submitted within 30 business days of date of hire.

Longevity Pay – Full Time Non – Certified Staff

Longevity Pay will be paid based on the following scale:

<u>Full Time Experience</u>	<u>Longevity</u>
16 – 20 years:	3.0% of salary
25 years:	3.5% of total salary
26+ years:	4% of total salary

Full time employees who have completed 15 years of full time service for Cumberland County Schools will be eligible for longevity pay starting the 16th year of service*

Starting with the employee's 16th year of service, Human Resources will verify the employee's service record. This is submitted to payroll for payment of longevity in the first pay in December of each year. This is paid to the employee in a separate check along with the regular pay on the 15th of December.

Employees that resign in good standing and later are reinstated within a two-year period, will maintain their eligibility for longevity pay.

*Food Service employees, both full time and part time are eligible for longevity while employed in food service. If an employee transfers out of food service, longevity will only be paid based on full time years of service. Credit will not be given for part time years of service when calculating longevity eligibility if a part time food service employee transfers to a non-food service department position.

Compensation

All payroll is by direct deposit only. Pay dates are the 15th and last day of each month. If those dates fall on a Saturday, Sunday or holiday the pay date will be the Friday before. Check stubs will be available electronically to all employees. It is the employee's responsibility to sign up for Paperless Check Stubs and to verify the accuracy of all information on the pay stub. Training will be sent to your school email account for Paperless pay stub training through SafeSchools.

Employees are encouraged to contact the Director of Human Resources when pay problems arise. The Human Resources office will coordinate with the Finance office to resolve problems/inquiries. Password resets are available by contacting County payroll directly at 931-484-8212.

HOURS AND WORK SCHEDULES

Attendance Expectations

All employees are expected to be present during all work hours. Absence without prior approval, chronic absences, habitual tardiness or abuses of designated working hours are all considered neglect of duty and will result in disciplinary action up to and including dismissal.

Certified Employees

The normal school day for teachers is seven and one-half hours. They are expected to be at their school and at their place of duty before and after classes in order to fulfill their professional responsibilities. Any departure from campus during the normal school day, when students are present, must be requested through the building principal who will keep a daily log of those excused.

Classified Employees

Non-licensed employees work schedules vary by position and department. Employee information sheets and work day calendars are provided annually and at time of hire. Contact your building principal for a copy of your work calendar. Employees are expected to be at their place of duty when the school day begins, or at the start of your shift.

Employees should contact the principal/supervisor of any unplanned absence or illness as soon as possible. Excessive absenteeism and tardiness may be grounds for formal disciplinary action and could lead to suspension or dismissal

School level employees are authorized a 30 minute duty free lunch period each day. Employees are not authorized to leave their campus or duty location during these periods without supervisor or principal permission.

Overtime Authorization and Pay

Prior approval by the Director of Schools is required before any overtime work is performed. Overtime is defined as hours actually worked in excess of forty (40) hours per week. The work week is defined as the hours between 12:00 am Saturday through 11:59 Friday for overtime calculation purposes. Only in extraordinary circumstances is overtime permitted. The provisions of the Fair Labor Standards Act will apply to all pay operations.

LEAVE POLICY

Certified Personnel

Certified personnel are allotted 2 paid personal leave days per school year. Unused personal leave is converted to sick leave annually. Except in the case of an emergency, requests to use these days should be submitted to the building principal a minimum of 2 days prior to use.

Certified personnel are allotted 1 paid sick day per month of the school year for illness/medical and or dental appointments. Leave dates should be identified to the building principal as soon as possible prior to their use. All unused sick days are carried over from year to year. Respective forms for taking these types of leave are located at each school office. These request forms require principal approval/signature and submission to the Payroll Department.

Classified (non- licensed) Personnel

The allocation of personal and sick days varies among job classification and the differing work year of some employees. Notification is made to candidates at time of hire. The following reflects the general allocation:

- (a) Educational and Administrative Assistants, Receptionists, Bookkeepers, Attendance Clerks receive 5 personal and 5 sick days per school year.
- (b) 207 day Custodians receive 8 personal and 5 sick days per year.
- (c) 260 day Custodians receive 6 sick days and vacation days listed below with Central Services.
- (d) Bus Drivers receive 5 sick days annually. Bus Drivers are reimbursed annually for unused sick days and may not carry any over to the following year.

Except as noted above, five personal and all sick days may be carried over to the next year. At the new fiscal year, all accrued personal days in excess of 5 days will be converted to sick days.

A maximum of 10 days of *earned* personal leave will be compensated upon termination of employment.

Central Services

Non-certified 12 month employees hired since August 1996 receive 7 personal and 12 sick days per

year. Personal leave is increased by 5 days per year at the 2nd, 4th, and 7th year of employment, to a maximum of 20 days. All sick days and 5 personal days may be carried over. Non-12 month employees receive a prorated allocation of leave days, but have the same carry over limitation.

Other Leave

Requests for other types of leave or leave when days are exhausted must be requested in writing for the Director of School's approval. All leave except for Jury Duty and Court leave requires written request for approval. The Board recognizes the following unpaid leave for all employees:

- a) **Jury Duty.** Regular salary continues during this leave, but the employee submits the per diem payment to County Payroll.
- b) **Court leave** when duly subpoenaed. The Director approves this leave upon being provided information regarding the need for the appearance and a copy of the subpoena.

Military leave is granted while the employee is on active duty with reserve or guard units. A copy of active duty orders must be submitted to the Director.

- c) **Legislative leave** Approved for employees elected to State level law making bodies. This is unpaid leave.
- d) **Maternity leave** for non-licensed personnel is granted for a period up to sixteen weeks with medical verification/certification.

Both classifications for maternity leave require three months advanced notice of the anticipated date of departure, length of requested leave and the intention to return to full time employment.

Family and Medical Leave Act (FMLA)

All employees who have been employed with the school system for at least 12 months and have at least 1250 hours of service during the 12 months before the leave is requested may be eligible for up to 12 weeks of unpaid leave, for themselves, with continuing health benefits. Further, when illness affects a spouse, parent, child, brother/sister, and certain in-laws the employee may also be eligible for this leave. Questions regarding eligibility should be directed to the Human Resources Director for further clarification and certification of eligibility. FMLA leave requires Human Resources approval. For more information regarding FMLA leave please see the notice attached to this handbook or visit the HR portal at www.ccschools.k12tn.net.

Recognized Paid Holidays

Non-certified personnel employed for 260-day basis, if on active payroll at the time, shall be entitled to the following paid holidays: New Year's Eve, New Year's Day, Good Friday, Memorial Day, 4th of July, Labor Day, Thanksgiving (2), Christmas Eve, and Christmas Day. Board Policy 5.310

Snow Days and Emergency Closings

Inclement Weather

From time to time it is necessary to delay or cancel classes across the school system due to poor road or school access conditions that have been caused by inclement weather such as rain or snow. The Director of Schools is the only person who may make the decision to close school for any reason. The intent is to make the decision as early as possible to allow parents time to make appropriate arrangements. As soon as the decision to close schools is made, the Director will use all means available to inform the public including news media, internet, e-mail, text and mass telephone notification.

When all schools in the system are closed, the Central Office and designated support services will still report. These include 207 day custodians (report on day shift), 260 day custodians, maintenance staff, bus mechanics, and Central Office staff. The Director will notify these staff if conditions warrant closing Central Office and designated support services. Any staff member may elect to use a sick or personal day (if available) or unpaid day if weather in your location prohibits you from reporting when school is cancelled.

When school is released early due to weather, the Central Office and all school offices will remain open and operational until it is reasonably confirmed that all students have safely reached their homes or have been picked up by their parents or guardian.

If school is not in session or is dismissed early due to inclement weather, all scheduled activities in which students are involved will generally be postponed or cancelled. Principals will ensure that school phones are manned. No school will cease operation or make a decision to close until the principal reports to the Director's Office and receives permission to do so from the Director of Schools, or until a system-wide decision has been made and communicated.

The Cumberland County School Board has established a medical panel consisting of general practitioners to treat on-the-job injuries. Employees shall **only** choose from any of the general practitioners listed on the medical panel for treatment of on-the-job injuries.

The current approved medical service centers are:

- Quality Medical Center, 15 Walker Hill Circle, Crossville, TN 38555 PH: 931-484-1100

The employee must notify their supervisor as soon as possible on the next working day. Certified teachers have benefits comparable to workers' compensation for up to 1 year if they are injured by a physical assault or other violent crime committed against the teacher in the course of the teacher's employment activities.

The Workers compensation Law sets limits on the maximum and minimum amounts of weekly compensation paid to injured employees. Sick leave benefits shall be paid to employees only when workers' compensation benefits are not available. All required forms are available at your school building nurses office, or by contacting HR at Central Services. Failure to report work related injuries may impact your ability to receive benefits.

Life and AD&D coverage is provided to all full-time employees at Board expense. Benefit levels vary based upon Certified or Classified (Non-certified) classification. For plan information please go to the HR Portal at www.ccschools.k12tn.net

Insurance Termination

When certified/classified employees retire, resign, or are terminated, before the end of the school year, insurance coverage terminates on the last day of the month for which the employee's last contribution was applied (*per local education plan document article 4.01 section b*). *This also applies to twelve-month employees.*

When certified/classified employees are not rehired during the annual reappointment period, or they terminate employment after working the full contracted days in a school year, their insurance coverage terminates on August 31. This only applies to an employee that has completed the entire fiscal year for their contracted days. This does not apply to twelve month employees. The employee's portion of July and August premiums will be deducted from the July 15th paycheck. You also have the option to write a check for the August share of premium if you do not want it deducted from July pay. You must notify Finance in writing to cancel your insurance for August. Both options must be in writing by June 15th.

Board sponsored insurance terminates for a licensed employee who retires with less than 20 years with our school system. Board sponsored insurance terminates for a non-licensed employee who retires with less than 30 years with our school system. The board agrees to pay for retiree health insurance benefits for eligible retiring employees until the retired employee becomes eligible for Medicare benefits. Please refer to BOE policy 5.204 Retirement Incentive and program details.

For information on eligibility to receive insurance benefits in retirement, please refer to page 9 of *The Partners for Health 2017 Eligibility and Enrollment Guide* for the state insurance program. Eligibility guidelines were modified as of 7/1/2015 for new hires. Employees whose first employment with local education began on or after 7/1/2015 will not be eligible to continue insurance coverage at retirement.

Federal law (**COBRA**) provides for continuation of health insurance under specific qualifying conditions following resignation or termination of employment. The State level insurance administrators, of the health insurance plan, notify employees by separate correspondence following loss of employment.

Retirement Program

Participation is mandatory for all employees. All employees are enrolled in the Tennessee Consolidated Retirement System at time of hire. The program covers licensed personnel immediately upon hire. Non-licensed employees are not covered for the first 6 months of employment, but have the option to obtain credit for this time through the Buy-Probationary Period Option. The Cumberland County Finance Department processes all applications for retirement. Refer to <http://treasury.tn.gov/tcrs> for retirement plan information.

Section 403(b) of the code allows tax-deferred contributions to be made through voluntary salary reduction. Taxes must be paid on contributions, interest and/or earnings upon withdrawal, usually at retirement. Early withdrawal will result in IRS-imposed penalties.

Contribution to a 403(b) is optional and is in addition to the retirement plan offered under the Tennessee Consolidated Retirement System. Eligible employees include those who are regularly scheduled to work at least 20 hours per week. Enrollment is available throughout the year.

Section 125 Cafeteria Plan

The Plan also offers a Medical Reimbursement Plan, to set aside pre-tax dollars from your paycheck to help pay for out of pocket medical costs (co-pays, deductibles for dental/vision/health). Dependent Care plans are also available.

For more information regarding Annuities, Cafeteria Plan or benefits please visit the HR Portal located at www.ccschools.k12tn.net.

EMPLOYEE COMPLAINTS

This employee handbook is designed to help you understand the Board's personnel policies, procedures, programs and benefits. It is the Board's policy and philosophy that its employees are vital to educational responsibilities.

The Board encourages open communication between its employees, its supervisors and administrators.

Questions or problems regarding your employment or other aspects of the educational mission should start with your immediate supervisor or building principal. If they cannot resolve your concerns, they will consult the Director and/or the Central Services Staff who in turn will make official contact with the Board if necessary.

Licensed employees of the Board also have additional avenues to express concern or dissatisfaction that are outlined in the current Memorandum of Understanding between the PEO and the Board, and also addressed in Board Policy 5.5011. There are also additional procedures and safeguards in place because of specific employment criteria outlined in Title 49, TCA.

All employees are free to exercise their full liberties as citizens, including the right to express their personal convictions on social, economic, religious and political issues, but they must avoid giving the impression that personal views expressed and positions taken by them are those of the school system or the Board.

Further, this expression must not violate the rights of others, State / Federal laws or the policies of the Board.

A Classified (non-licensed) employee who has a complaint should follow these steps:

- a. Discuss the complaint with their immediate Principal/Supervisor.
(Principal/Supervisor is required to notify the non-licensed employee of the complaint procedures.) Official complaints must be in writing.
- b. If the Principal/Supervisor cannot resolve it, it may be forwarded to the Director.
- c. If the Director still cannot resolve the issue, it may be appealed to the Board.
- d. The judgment of the Board is final in all non-licensed employee complaints.

A Certified employee who has a complaint or grievance should follow the procedures outlined in the current Memorandum of Understanding and with the PEO and as outlined in Board Policy 5.5011. These procedures generally follow the steps outlined above, but contain certain negotiated provisions regarding time limits, representation and appeal.

No reprisals shall be made against any employee because of his/her participation in any complaint or grievance.
