

ESP INCLEMENT WEATHER DAYS

Snow, Flood, Tornado, etc.

Parents,

It is the time of the year when we must think about inclement weather. I know some of you will need childcare on those days. Any day that Franklin County is out of school for inclement weather, Mr. Bean will announce which ESP sites are open. Clark Memorial and Rock Creek ESP sites will most likely be the sites that will be open. The hours these sites will be open will be from 7:30 AM to 6:00 PM unless otherwise announced. These sites will take any child who is currently enrolled in the ESP program in Franklin County. **If Franklin County schools are on a delayed opening schedule, all ESP sites will be closed.** If it is determined that schools will go from a delayed opening schedule to school closure, then Mr. Bean will announce which ESP sites will be open. Remember that the ESP staff will receive the announcement at the same time, so please allow time for the staff to arrive at the site. **If the weather is so bad that all County Offices are closed, then all ESP sites will be closed - no ESP for that day.**

If you will need child care on these days please fill out the form below. The ESP Site Directors will send the information about your child/children to the ESP school site you have chosen for them to attend on those days.

You will make payment on a day by day basis to the ESP site your child/children attends on inclement weather days. Payment is due upon arrival at the rate of a Full Day = \$20 and \$17 for each additional child. Please send breakfast and a sack lunch for your child.
