Keeping Huron County Educators Informed

Updating MOECS, Checking Your Hours, and Renewing

Did you receive a recent email asking you to update your Michigan Online Educator Certification System (MOECS) account? We have learned that some individuals have out-of-date information in MOECS. Some have two accounts (forgot you had one and set up another?) or incorrect email addresses. It only takes a few minutes to log on at <https://mdoe.state.mi.us/MOECS> or use the “Login Assistance” button to get access. NOT fixing these problems now can cause you to lose hours you have earned when you go to renew.

Once you are in and have updated your personal information, here is an EASY way to check how many hours you have toward your next renewal.

1. From the HOME page, choose **Complete SCECH Evaluations**. Complete them FIRST so they will show up in your totals. If you have earned DPPD hours, enter them under the Add DPPD tab for **events held prior to the end of this school year**. After 6/30/2020, DPPD will be treated much like SCECHs, it will be uploaded by your district for you and will show up automatically in your account after you complete the evaluation.

2. Click **View Certificates** to check WHEN your certificate expires if you aren't sure.

Certificates		Permits	Career Authorizations	
Issued Certificates				
Certificate #	Certificate Type	Status	IssueDate	Expiration Date
<input checked="" type="radio"/> CC-UTV710310132	18-Hour Continuing Certificate	Valid	03/12/1990	
<input type="radio"/> SA0000000830321	School Administrator Certificate Renewal	Valid	02/08/2018	06/30/2023

- Click **View Professional Learning**, then click the TOTALS tab to see how many hours you have and how many more you need to renew your certificate.

- Have enough hours to renew now? Click the **Renew** tab but have your credit card handy. While they reduced the number of hours needed from 150 to 120 for those who need to renew before June 30, 2020, they did NOT reduce the fee.
