

Due to COVID 19, the Baker High School swim team was only able to compete in two meets. These meets were held at UMS-Wright and Bayside Academy. Meets were scheduled against Daphne High School twice; however, both meets were cancelled due to hurricanes. The AHSSA did not require a sectional meet, instead swimmers had to swim qualifying times at regular season meets. Unfortunately, most of our swimmers did not have the opportunity to earn these qualifying times due to the lack of swim meets available. However, two Baker swimmers did qualify for State in the 2020 Season. Senior Morgan Mangum qualified in the 100-yard backstroke and 100-yard butterfly. She was a top 10 finalist in both of these events. Freshman Andon Ellzey qualified for the 50- and 100-yard freestyle and had respectable times in both of these races. Again, due to COVID 19, there was no awards banquet at the end of the season; however, Morgan and Andon earned Outstanding Swimmer recognition for their performances this year.
