Goal 1: How will the LEA foster effective parent and family engagement strategies and support partnerships among school, parents, and the community to improve student achievement?

Hint

The Pottsville School District has developed jointly with parents a parental involvement implementation plan designed to encourage our parents to form strong partnerships with our schools and our schools to reach out to form strong relationships with our parents. We seek additional involvement of parents in support of every phase of their children's

education. Each Title I Part A school will also be monitored to ensure that they have a current Parental Involvement Plan, and it is disseminated to parents and the community. Thus, our plan includes the following components:

The policy will be made available to our community and to parents by posting it to our district website, placing an ad in local newspaper, and by making copies available at parent and community events. Principals of each school will make sure copies of this policy are made available at the annual school open house events in the fall. In addition, the Pottsville K-12 Student Handbook that is distributed to every student at the beginning of the school year will also include the District Parental Involvement Plan (along with a parent acknowledgement receipt of handbook).

The Pottsville School District will coordinate and integrate parental involvement strategies with parental involvement strategies from other parental involvement programs such as Head Start, HIPPPY or other state operated pre-school program. Responsible District Staff: Shannon Davis and Carla Staggs.

The Pottsville School District with Tara Thompson as facilitator will take the following actions to conduct, with the involvement of parents, an annual spring evaluation on April 15, 2019, of the content and effectiveness of this parental involvement policy in improving the quality of its Title I, Part A schools. The evaluation will include identifying barriers to greater participation by parents in parental involvement activities (with particular attention to parents who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background). The school district will use findings of the evaluation about its parental involvement policy and activities to design strategies for more effective parental involvement, and to revise, if necessary (and with the involvement of parents) its parental involvement policies and updating the Title I Program as needed. A survey tool or questionnaire will be used to assist in the evaluation process. This tool will be made available to parents, staff, and the community. Principals at each school will collect surveys and tabulate the results. School results as well as district wide results will be communicated to parents, staff and community along with the opportunity for feedback. Tara Thompson is responsible for making sure the evaluation findings are included in recommendations and suggestions to the schools for revision of school parent involvement plans and practices. Tara Thompson will coordinate the development of an annual parent activity evaluation report to be developed and disseminated to parents, staff and the community. Attendance at parent involvement activities and parent-teacher conferences will be strongly encouraged and attendance documented by each school. Attendance data will be collected, tabulated, reviewed, and evaluated by building principals. School level as well as district level results will be communicated to parents, staff and the community.

The Pottsville School District agrees to implement the following statutory requirements with the responsible District Staff: Tara Thompson, Shannon Davis, Houston Townsend, Shane Thurman, Melissa Cox, Kenny Bell, Greg Coffman, Jonathan Bradley and Larry Dugger.

- Employing parent facilitators for each building:
 - Carla Staggs (Pottsville Elementary School - 968-2133)
 - Lisa Corbin (Pottsville Middle Grades - 890-6631)
 - Emily Roach (Pottsville Junior High – 968-6574)
 - Annette Bewley (Pottsville High School – 968-6334)
- The school district will put into operation programs, activities and procedures for the involvement of parents in all of its schools with Title I, Part A programs, consistent with section 1118 of the Elementary and Secondary Education Act (ESEA) and Every Student Succeeds Act (ESSA). Those programs, activities and procedures will be planned and operated with meaningful consultation with parents of participating children.
- Consistent with section 1118, the Pottsville School District will work with its schools to ensure that the required school-level parental involvement policies meet the requirements of section 1118(b) of the ESEA and ESSA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA/ESSA.

- The Pottsville School District will incorporate this district wide parental involvement policy into its LEA plan developed under section 1112 of the ESEA/ESSA.
- In carrying out the Title I, Part A parental involvement requirements, to the extent practicable, the Pottsville School District and its schools will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA/ESSA in an understandable and uniform format and, including alternative formats upon request, and, to the extent practicable, in a language parents understand.
- If the LEA plan for Title I, Part A, developed under section 1112 of the ESEA/ESSA, is not satisfactory to the parents of participating children, the Pottsville School District will submit any parent comments with the plan when the school district submits the plan to the State Department of Education.
- The Pottsville School District will involve the parents of children served in Title I, Part A schools in decisions about how the 1 percent of Title I, Part A funds reserved for parental involvement is spent, and will ensure that not less than 95 percent of the one percent reserved goes directly to the schools.
- The Pottsville School District will be governed by the following statutory definition of parental involvement, and expects that its Title I schools will carry out programs, activities and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

- that parents play an integral role in assisting their child's learning;
- that parents are encouraged to be actively involved in their child's education at school;
- that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child; and
- the carrying out of other activities, such as those described in section 1118 of the ESEA or ESSA.
- the Pottsville School District will inform parents and parental organizations of the ADE Parent Resource website: <http://www.arkansased.org/im-looking-for/parents>.
- The Pottsville School District will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA or ESSA: encourage the participation of parents in parent groups like the PTO; require schools to seek parent input into school improvement activities in order to meet the educational needs of students; require schools to provide parents with current information regarding school policies and practices through the student handbook; and provide parents with current information regarding school performance data and solicit parent input and feedback. Lisa Corbin, Carla Staggs, Emily Roach, Annette Bewley and Tara Thompson along with building principals will be responsible for recruiting parents to serve on the school improvement ACSIP committees.
