Dear Business Owner:

The Project Graduation Committee is happy to announce the kick-off to our Class of 2011 fundraising drive. Project Graduation has been active in Coffee County since the Class of 1995. We are a non-profit organization that offers graduating seniors opportunities to win cash and prizes as they graduate from high school and enter adulthood. Maybe most importantly, Project Graduation's main focus is to offer a controlled, fun, adult-supervised and safe celebration event for graduating seniors on the actual night of high school graduation (May 27, 2011).

As you can imagine, Project Graduation needs the help of local businesses and vendors in order to provide this service to the community. If you have supported us in the past, we want to thank you and ask for your continued support this year. If you are new to Project Graduation sponsorship, we want to encourage you to participate in this worthy cause that will benefit approximately 400 graduating seniors. This year, sponsorship of \$250 and above will receive special recognition for those businesses/vendors on the back of our event t-shirts.

For questions, feel free to call us at the following number: (931) 808-2184. For donations, please send checks to:

Thank you in advance for your support of this worthy cause. We want to help give the Class of 2011 the best start in life we possibly can!

Sincerely,

**Project Graduation Committee**
