If, in the course of a hazing investigation, potential issues of discrimination are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged hazing.[11][12]

## DELEGATION OF RESPONSIBILITY

Students, parents/guardians, coaches, sponsors, volunteers, and school employees shall be alert to incidents of hazing and shall report such conduct to the building principal or designee.

## GUIDELINES

In addition to posting this policy on the school's publicly accessible website, the school shall inform students, parents/guardians, sponsors, volunteers and school employees of the school's policy prohibiting hazing, including school rules, penalties for violations of the policy, and the program established by the school for enforcement of the policy by means of publication in handbooks.

This policy, along with other applicable school policies, procedures and Codes of Conduct, shall be provided to all school athletic coaches and all sponsors and volunteers affiliated with a student activity or organization, prior to coaching an athletic activity or serving as a responsible adult supervising, advising, assisting or otherwise participating in a student activity or organization together with a notice that they are expected to read and abide by the policies, procedures and Codes of Conduct.

## Complaint Procedure

A student who believes that they have been subject to hazing is encouraged to promptly report the incident to the building principal or designee.

Students are encouraged to use the school's report form, available from the building principal, or to put the complaint in writing; however, oral complaints shall be accepted and documented. The person accepting the complaint shall handle the report objectively, neutrally and professionally, setting aside personal biases that might favor or disfavor the student filing the complaint or those accused of a violation of this policy.

Allegations of hazing shall be investigated promptly, and appropriate corrective or preventative action be taken when allegations are substantiated. ## Interim Measures/Police

Upon receipt of a complaint of hazing, the building principal or designee, in consultation with the CEO or designee, shall determine what, if any interim measures should be put in place to protect students from further hazing, bullying, discrimination or retaliatory conduct related to the alleged incident and report. Such interim measures may include, but not be limited to, the suspension of an adult who is involved, the separation of alleged victims and perpetrators, and the determination of what the complaining student needs or wants through questioning.

Those receiving the initial report and conducting or overseeing the investigation will assess whether the complaint, if proven, would constitute hazing, aggravated hazing or organizational

hazing and shall report it to the police consistent with school practice and, as appropriate, consult with legal counsel about whether to report the matter to the police at every stage of the proceeding. The decision to report a matter to the police should not involve an analysis by school personnel of whether safe harbor provisions might apply to the person being reported, but information on the facts can be shared with the police in this regard.
