

**Updates for the East Jasper School District Students, Staff,  
Families, and Community  
regarding  
COVID-19 and Meal Distribution**

Dear Oiler Nation:

**COVID-19 Update**

At this time, two East Jasper School District staff members have tested positive for COVID-19 for the week of August 17, 2020. These are the first positive cases since the start of school on August 10, 2020. As mandated, we will report all District COVID-19 cases and quarantine measures to the Mississippi Department of Health.

The East Jasper School District continues to follow the health and safety protocols provided by the Mississippi State Department of Health (MSDH) and the Centers for Disease Control and Prevention (CDC).

*(Neither MSDH nor MDE requires school districts to report this information to the general public.)*

**“Meals on Wheels” Distribution Update**

At this time, the East Jasper School District has temporarily suspended its “Meals on Wheels” daily meal distribution. We plan to resume this service by September 4, 2020.
