- 4/1 & 4/2- No School
- 4/6 & 4/8- ELA EOC

From The Office Of The Principal Mr. Bowers

Dear Parents/Guardians:

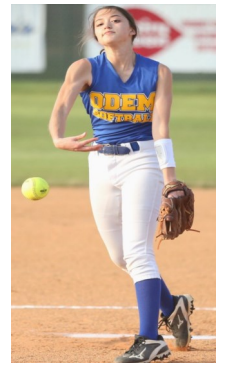

We hope all of you had an Owl-Standing fourth six weeks. The fourth six weeks was full of exciting events for students, teachers, parents, and community. The second semester kicked off with the Odem FFA chapter showing at the County A&H show. Trey Canales earned Reserve Grand Champion Swine. Also, FCCLA and FFA students Catalina Gamez and Torri McClellen made the 2021 A&H Queens Court. Catalina Gamez was also crowned the 2021 Queen and awarded Miss Photogenic.

The fourth six weeks also saw the Owls and Lady Owls competition in district basketball heat up. The Lady Owls finished district play in 3rd place and qualified for the state playoffs. They fell to a talented Bishop team in the first round. All good things must come to an end, as Coach Roland Ramirez said farewell to a great group of senior girls. The Owl basketball team also made the playoffs with a 3rd place finish in district. Although, they lost a hard fought game to San Diego, they return the majority of their players and are already looking forward to next season.

Another event from the 4th six weeks was the Odem Owl Baseball alumni game. Each year this event kicks off the start of baseball season. Furthermore, it brings together generations of Odem Baseball alumni and current students and coaches for a friendly ball game. This year, several of the alumni who competed were also fathers and brothers of current players. The family affair saw the alumni take a lead for most of the game. However, students rallied back in the last inning to sneak away with a victory. Head Coach, Jason Pfluger, acknowledged the alumni of the baseball program have established a strong tradition which the current Owls are aiming to uphold.

The end of the six weeks finished unlike any other. An entire week of school was canceled due to the winter storms which impacted the whole state. However, after the storm the Lady Owls still came in to host their annual softball tournament. After a tough week without power and often without running water, the Lady Owls overcame adversity and went undefeated in the tournament with wins over Banquete, IWA, and Beeville. Senior Pitcher Madison Vela, Southwestern University Softball commit, said, "the team united, was excited to play, and get out here on the field." The weekend concluded with student athletes volunteering on Sunday afternoon to pass out cases of water to those in need. The students distributed over 300 cases of water. Regardless of individual obstacles, students rallied together to serve their community.
