Parents/ Guardians:

First, I would like to express my gratitude for all that you do in support of our school. I understand the newness and uncertainty that this school year has brought due to Covid-19, but we are adapting and persevering through the challenges, so again we thank you. We are beginning our 'Slice the Price' Domino's fundraiser today and are once again asking for your help. Last year's fundraiser was a huge success as we raised around \$2500 which went to the purchase of new desks and chairs.

The money for this year's fundraiser will be used to purchase much-needed technology for the school, and the top two sellers will receive a prize of \$50 and \$25, respectively. Also, the homeroom with the top sales will receive a classroom party. The cards are only \$10, and every time you purchase a large pizza at menu price you will get a large pizza for free. Please use the link below to get more information and to order using the online store.

As always, thank you so much for your continued support.

Shantell Rouse
