Janet M. Serino
Superintendent

March 12, 2020

Dear Parents and Guardians,

The coronavirus (COVID-19) has become a concern throughout the world. The Wyoming Area School District is committed to keeping our students and staff safe. Everyone has been reminded of precautions to avoid the virus. It is vital to wash your hands, don't touch your face and avoid others who are sick.

We are taking measures to ascertain daily cleaning regimens that minimize exposure to illness.

In spite of these measures, we are not certain if there will be a future need of closing schools. We will be doing a survey about home access to computers and wi-fi. It is our desire to be prepared should the need arise.

Should anyone be out of the country or in an affected area, the district is requesting the sharing of that information to allow us to be proactive and take appropriate measure.

We will keep you informed of the district's plans.

Thank you,

JANET SERINO
SUPERINTENDENT

JS/jmr
