Do you have one of those favorite old songs you always go back to in an effort to help you get your focus back on the Lord? Personally, I have several and one of my favorite is, **“Turn Your Eyes Upon Jesus”**. It’s simple, direct, and actionable and Lauren Daigle’s version of the song on her latest album is awesome.

There is an abundance of distractions in our world and they are all clamoring for our attention. Not all of them are necessarily bad, in fact, some of them may be good. However, ***Christ is to be our first and foremost focus.*** This radio ministry endeavors to encourage all who listen to our music and programming to grow closer and more consistent in their walk with Christ.

You enable us to serve people with gospel-centered music and programming. ***Be encouraged, because you are making a***

***difference in the Kingdom of God. Thank you and please continue to pray for this ministry and may God bless you.***
