SOCIAL WORK SPOTLIGHT

Reach • Rescue • Redeem

January is National Slavery and Human Trafficking Prevention Month.

R3 non-profit foundation exists to abolish modern-day slavery through a collaboration of resources necessary to reach, rescue, and redeem those affected by human trafficking.

This mission is accomplished by partnering with community leaders, faith-based organizations, and government agencies who provide support through: - advocacy and awareness - rescue and transition - rehabilitation and the restoration of freedom.

THE HARD TRUTH:

- 1 in 3 runaways will be affected by trafficking within 72 hours of leaving home.
- 2200 children go missing everyday in the United States.
- Sex Trafficking Generates 9.5 billion in revenue every year in the United States.
- Approximately 300,000 children are at risk of being prostituted in the United States.
- The average of entrance into prostitution is 13 for girls and 11 for boys.
- The average pimp can make \$200,000 per year per child and has 4 to 6 children under his control.
- In most cities the prostituted is expected to earn \$1000 per day which translates on average to 20 - 48 sexual encounters per day.
- Fewer than 100 beds are available for underage survivors and 529 beds total for trafficking victims in the United States.
- These victims are slaves and there are more slaves today than at any other point in human history.
- 2 million children globally are victims of sex trafficking each year.
- Human trafficking has surpassed the illegal arms trade as the second largest criminal enterprise in the world.
- If you wish to report an incident you can reach out to us or call 888-373-7888 24 hours a day/7 days a week to make a report.
