

July 01, 2021

Welcome to the Jefferson County Elementary School website and to a new and exciting year! I want you to know that I am fully committed to the school and hope to serve the community in future years. It is my goal to obtain success through collaboration, hard work and a strong community partnership. I want students to leave JCES with memories that will last a lifetime! We want our students to LOVE learning and LOVE coming to school. With your help, we can instill life-long values in our students to work hard, exceed expectations, and to appreciate their education.

We are gearing up to make this year “A Super Year at JCES”! Our new vision is to provide students with a solid foundation in literacy and math to enhance their ability to become problem solvers and critical thinkers on their quest for academic excellence.

At JCES, the Tiger Way is the best way to show your PAWS by having a **positive attitude, acting respectfully and responsibly, working together with the community, and staying safe.**

I look forward to working with you in the future!

Go Tigers!
