Dear Families:

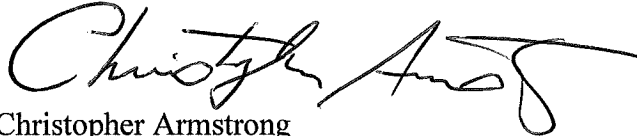

Earlier today, Cape May County District Superintendents met to discuss recent changes in the available options for the 2020-2021 school year.

Over the next few days, administration will process and analyze all new and additional guidance and recommendations that will be released by the Governor and New Jersey Department of Education in the near future.

After critical review and consultations with the Cape May County Department of Health and NJDOE, Cape May County Districts will reconvene and coordinate efforts to make the best decisions for the students and staff of Cape May County.

On behalf of the Cape May County Association of School Administrators, your continued patience, support and advocacy is greatly appreciated.

Yours in education,
