

HURON INTERMEDIATE SCHOOL DISTRICT SELECTS NANCY LUBESKI TO LEAD ISD

The Huron Intermediate School District Board of Education has selected Dr. Nancy Lubeski to be the district's next superintendent. "We are absolutely thrilled to land someone of Nancy's caliber to lead the ISD," stated board president Jan Holz. "The board is confident that Dr. Lubeski's fresh perspective and broad experiences will help the county continue on its path to excellence."

Lubeski brings with her to the position considerable experience as an administrator and educator. She has worked in districts across Michigan and internationally in Malaysia, China, and Malawi. Lubeski has served as the Director of Special Education for Three Rivers Community Schools since 2018.

Consistent with Huron ISD's values, the selection was supported by an inclusive process. Selection criteria were generated based upon the input of community members, parents, and staff via an online survey. Community members provided immediate feedback to board members during preliminary and final face-to-face candidate interviews. Additionally, administrators, faculty, students, and parents provided input following a series of structured stakeholder conversations. The board of education appreciates the district's citizens and staff support of the process.

Lubeski and the board of education are currently in the process of contract negotiations, with the new superintendent expected to assume the position in June 2021.
