

## Summer Learning in the Randolph County School System

Southeastern Randolph Middle School students conduct liquid pH tests in a lab.

READING is in Straton

**Camp Read-A-Lot at Hopewell Elementary School** 

\_\_\_\_\_\_

Learning is in full swing at Uwharrie Ridge Six-Twelve this summer as students have access to both remediation and enrichment.

See <u>details</u>.

\_\_\_\_\_

Good things happening at Eastern Randolph summer school.

It is because the students want to be successful and the teachers genuinely care!
