Dear Parents and Community Members,

Hawkins County Schools has reached a decision regarding instruction for the remainder of the fall semester and start of the 2021 spring semester. Effective Wednesday, December 16, and continuing through Friday, December 18, all sites will move to virtual instruction. Additionally, we will run virtual instruction the week of January 4-8, 2021. This is a result of increased positive case counts in the County and quarantine numbers affecting our school sites.

VIRTUAL LEARNING EXPECTATIONS AT CHIS:

- Your child should log in to his/her TEAM GOOGLE CLASSROOM every virtual learning day at 8:00 AM to read any announcements and to find the virtual schedule to follow.
- Your child should log in to his/her LIVE GOOGLE MEETS throughout the school day as shown on the schedule. Teachers will be teaching live lessons and taking attendance each day.
- Your child should turn in assignments EACH DAY THEY ARE ASSIGNED. If assignments are not turned in, your child will be counted absent for class.
- If your student cannot attend live meets, teachers at CHIS will provide recorded lessons in Google Classroom which will instruct him/her on the assignment for that day. All assignments are also posted in Google Classroom and should be turned in the next day. Attendance will be taken by assignment completion.
- CHILDREN HAVE BEEN USING GOOGLE CLASSROOM AND ALL OTHER ONLINE TEACHING TOOLS EVERY DAY WHILE AT SCHOOL. PLEASE KNOW THAT YOUR CHILD KNOWS HOW TO USE GOOGLE CLASSROOM, FIND HIS/HER ASSIGNMENTS, AND ALSO HOW TO TURN THEM IN. However, if you have any questions, feel free to contact your child's teacher. It takes a partnership to ensure learning happens.

School Meals: Free meals for children age 0-18 will be available for pick-up at each school site from 11am-1pm, December 16-17 and January 4-8. Please check your child's school website for any schedule changes.

If you have any questions, please contact your child's teacher.

Merry Christmas and HAPPY NEW YEAR!!!!!!
