Discovering Endless Possibilities..."

May 21, 2020

Dear Parents,

Thank you for your continued support and flexibility to provide Distance Learning to your child(ren) during the COVID 19 school closure. We appreciate everything you have done during these stressful and challenging times. We could not have done our work without your support. Thank you!

As we look forward to the future and the 2020-21 school year, we know that all Oregon schools will be faced with making difficult budget cuts due to the impact of the COVID 19 shutdown. We want to make the best decisions for all our students, staff and community with the least amount of impact. We need your help in determining how many students we will have attending our Vernonia Schools (VES/Mist/VMS/VHS/ Vernonia Family Academy) next year. Will you please take a moment to complete the following google form to help us plan more effectively for the upcoming school year? It takes a community effort to help plan for our children's future. Your input is important to us and greatly appreciated. Thank you for your time and efforts.
