

Digital Learning Plan Packet for Ms. Goolsby's Class

Week 4	Week 5	Week 6
News 2 You unit: 2020 Census	News 2 you unit: Coronavirus	EnCORE unit: Who Would I Be?

Please move at your own pace and let me know if you have any questions. I can provide additional work digitally upon request.

I've added some additional materials that you can use daily, such as weather cards, grooming checklists, and coloring pages. These are optional.

Also, please see the free resources that have been shared on the ClassTag app.

I hope to see you all very soon!

WHAT

2020 CENSUS

2020

The U.S. will have a census in 2020.

2020

The U.S. has a census every 10 years.

10

A census counts every person living in an area.

The 2020 Census will count every person in the U.S.

2020

A U.S. government group does the census.

This group is called the Census Bureau.

The Census Bureau uses the census to gather information.

The information is about people in the U.S.

The U.S. government uses the information.

The information helps the government make decisions.

Some decisions are about money.

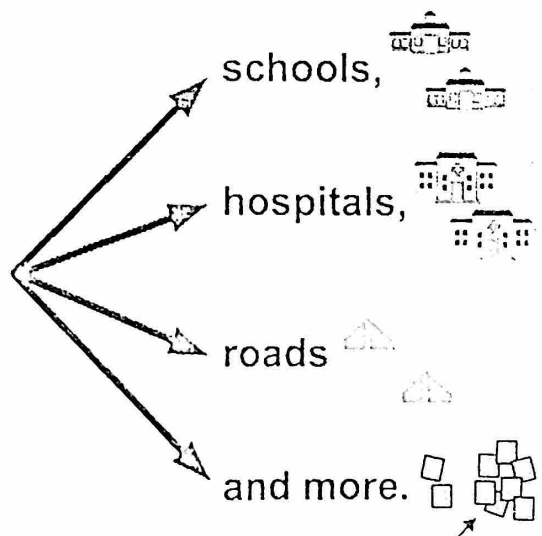

The government decides how much money to give to states.

States

use the money to build

How does the Census Bureau do a census ?

The Census Bureau sends census forms in March.

They send a form to every home in the U.S.

Each form has a list of questions.

The questions are about the people living in the home

One question asks how many people live in the home

Other questions ask for each person's

Everyone must answer the questions for the census.

The census is a part of U.S. law.

The U.S. will have a census in 2020.

2020

The census will count every person living in the U.S.

The census will count

How many people do you think live in the U.S. ?
