A Louisiana pastor praised Kanye West's last-minute "Sunday Service," where "over 1,000" people raised their hands to commit their lives to Christ on Friday, calling it a "new wave of revival."

We thank God for you!

When you pause this Thanksgiving, instead of just running down a list of the big things God has done for you, try remembering just a few of the thousands of little blessings He has poured into your life. Every day He shows His grace in small and wonderful ways that we may have not even noticed.

One of the thousands of blessings that God has given to Goforth Media... is you. Just as Paul wrote to Timothy, "I thank God...as I constantly remember you in my prayers night and day." We thank God for you! And let's be specific. You really make a difference when you listen to the radio stations and encourage others to do the same, when you pray for this work and lift up those behind the scenes, and when you give to keep the ministry on-the-air. Those of us working at Goforth Media plan to take time this Thanksgiving to pray for you and to thank God for your generosity. With your financial gifts we are able to speak to a desperate world about the life-changing message of Jesus Christ found in God's word. Because of you, many people have the opportunity to turn on the radio and hear and understand the truth of Scripture. May God bless you for sharing the vision!

Highlights from Letters to Goforth Media

“And then one day I was channel surfing and came upon WLPR 93.3 FM and was so pleasantly surprised at the continuous southern gospel music that I was hearing and enjoying so much. The hosts are great and entertaining and don't carry on with a lot of unnecessary talking and hoopla. They let the music speak for itself and I'm all about the music.”
