Meet Your Teachers!

Mr. Hyde- Math phone:(336)431-2589 ext. 13106
email: mhyde@randolph.k12.nc.us

Greetings! I will be your Math teacher this year. I am new to ATMS this school year, but I am not new to the area. I have been at Wheatmore High School for the past ten years, and I was at Braxton Craven for several years prior to that. My own children attended ATMS several years ago, and I am a proud graduate of Trinity High School. I am very excited to be returning to middle school to teach 7th grade because I know how the skills being taught this year are applied in the future math courses you will take. We are going to be engaging in a year-long project that uses the information from our Randolph County to make mathematical comparisons to the other Randolph Counties scattered about the United States. My ultimate goal is not just to teach you a bunch of mathematical techniques, but rather to help you become a critical thinker who can use numbers to help you make good decisions in whatever career you eventually choose. I can't wait to meet each of you and get started on a great adventure together!

Hi! I will be your Social Studies teacher this year. This is my second year teaching at ATMS and my eighth year teaching overall. I graduated from Guilford College in 2013 with bachelors degrees in both education and history. I have two children, one in high school and the other just graduated from App State. I also have 5 fur babies, three dogs and two guinea pigs. We will be studying all kinds of things like Renaissance, Reformation, and Exploration, Age of Reason and Enlightenment, Revolutions of the World, Empire Building, Age of Modern War, and the Cold War.

I am so very excited to be your ELA teacher this year, as well as the Magazine teacher for ATMS. I attended ATMS as a student, and am a graduate of Trinity High School, the University of North Carolina at Chapel Hill (Go Heels!), Greensboro College

and High Point University. I have 2 absolutely amazing teenagers, and 2 very small dogs with very BIG personalities! I love reading, writing, and design of any kind! I hope to greatly encourage your love of learning this year, no matter what your favorite subject may be! I truly believe that making the world a better place starts with learning as much as possible!!!

Mrs. Warren-Science phone:(336)431-2589 ext. 13111
email: dwarren@randolph.k12.nc.us

Welcome to ATMS and Mrs. Warren's Science class! I am excited about this school year and am ready to meet each of you, whether in my classroom or virtually. This year we will study weather, cells, genetics, the human body, and force and motion. I am planning lots of activities and labs for the classroom and hope to have virtual labs as well.
