

# Using clever badge for login guide

- 1) Students' in grades pre-k through third receive a clever badge at device pickup.
- 2) Power on the Chromebook.
- 3) Connect to Wi-Fi network, select **Next** and then scan the Clever Badge.
- 4) The student is automatically logged in to their Chromebook. In addition, the student's Clever portal is automatically opened for them.
- 5) Students can click on any applications and begin their learning session.

If the student clever badge is not available at the time of login, the student still can login using their username and password.

Username is [firstname.lastname@sumterschools.org](mailto:firstname.lastname@sumterschools.org) and password is student's lunch number.
