

### Public Notification

The Perry County Schools offer Career and Technical Education programs at Francis Marion School and Robert C. Hatch High School. These programs are designed to prepare youth for a broad range of employment opportunities and further educational advancement. All programs are offered under the guidance of certified teachers. The following is a list of programs being offered this year and the criteria for admission.

<u>Program</u>	<u>Criteria for Admission</u>	<u>Student Must:</u>
Health Science/Biomedical		Work in a hospital setting using various equipment for healthcare advancement
Agriscience		Be able to work in an environment with various paints, chemicals and dust, heavy equipment and dangerous gases.
Automotive Service Technology		Be able to reach, bend, and lift 10 pounds or more.
Business		Be able to type, apply computer skills and develop positive work ethics.
Family & Consumer Science		Learn parenting, food science, fashion & clothing design, & housing & interior design.

All Perry County Career and Technical education programs follow the system's policies of nondiscrimination on the basis of race, color, religion, national origin, sex, age, and disability in all programs, services, activities, and employment. Equal access to the Boy Scouts and other designated youth groups is also provided. In addition, arrangements can be made to ensure that the lack of English language proficiency is not a barrier to admission or participation.
