This fee is a sitting fee and may or may not include a copy of the portrait based on the photographer's package options. Portraits taken by any other photographer will **NOT** appear in the 2021 yearbook senior section. The deadline to take a portrait off campus with one of the photographers is February 26, 2021. **The yearbook portraits will be released to local news media (print & online) for senior publications in May. Only portraits submitted through the yearbook will be used in those publications, as well. If you prefer not to appear in media publications, please request to be excluded in writing addressed to Mrs. Kristi Joyner.**

There will be on campus senior portrait opportunities Spring Semester for a traditional formal senior yearbook portrait. This is not a required portrait, but will be the **ONLY** options offered on campus this year. The traditional formal senior portrait will be the drape for females & tux for males (provided by the yearbook). The sitting fee will be \$75. **Seniors can still schedule sessions prior to January with one of the 3 approved photographers at a discounted rate.** The dates will be sent out via Kinvo and posted on the Coffee High School Facebook page. The approved photographers will submit all senior portraits taken to the Lance yearbook. ***It is not the student's responsibility to submit the image file to the yearbook.*** **If a portrait is asked to be submitted by a photographer after the February 26, 2021 deadline with the exception of the on-campus portraits, the senior will be charged a \$25 late submission fee by the yearbook.**

*Also, be advised that the Lance staff and administration at Coffee High School has the right to review and reject portrait submissions if a portrait does not meet school policy in regards to dress code.*
