When: August 24th 10:00-3:00

Book Online at [Photogenius.org](https://www.photogenius.org)!

Use the book online tab and select your school and it will show you the times available create a new account and fill in information.

There will be a setting Fee of \$20.00. That will cover your formal and environmental portraits. We encourage all students to bring personal items that reflect your personal style or hobbies to make your senior session your own!

LADIES - Please be sure and bring a top that can slide off the shoulder easily for your formal drape portraits. You may also bring up to two outfits for your environmental portraits as well. Keep in mind it is always a good idea to be mindful of the extra studio lights when applying makeup with contouring or using highlights.

GENTLEMEN – Be sure to wear a white or light colored shirt without graphics or lettering to wear under the formal shirt. You may also bring up to two outfits for you environmental portraits.

We will be providing Tux shirts and jackets for the Boys senior formal portraits as well as the drape for the Girls. Please note we will still be following the guidelines for social distancing and will be doing our part to insure the safety of our customers as well as our photographers.

Our photographers are maintaining 6 foot distance from each student. We suggest one parent to accompany the student to help with adjusting hair and clothing. Masks are suggested due to guidelines for any personal not being photographed. All clothing is worn once per student and are washed, dried or sanitized daily. We are also using a limited scheduled of only 2 students per 15 min to help with social distancing.

The day of portraits each senior will sign in and provide your information including email address and phone number. You will receive a code via email and txt with the information provided with the online code so that you can view and purchase online.
