Mr. Dan Bauer, Superintendent
Shelby Public Schools
525 North State St
Shelby, MI 49455-8201

Dear Mr. Bauer:

I would like to offer my compliments to the administrators and staff of Shelby Public Schools on their successful efforts to bring the district into compliance with state and federal requirements as identified by the On Site Review team on April 23, 2013.

The Title III team from the Office of Field Services (OFS) has informed me that the On Site Review compliance plan that was submitted for Shelby Public Schools has been implemented. With all the responsibilities that schools must address, it is commendable that you were able to successfully achieve this important goal.

If you have any future technical assistance needs, please contact Shereen Tabrizi, Special Populations Unit Manager, at 517-373-6066.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael W. Radke".
