### **MUNICIPAL GOVERNMENT RELATIONS**

#### PURPOSE

It is the policy of the Board that school officials and municipal officials maintain a close and harmonious association. Such liaison is requisite for dealing with school/community concerns and problems in a satisfactory manner while assuring prudent expenditure of tax dollars.

#### AUTHORITY

The Board recognizes that its authority derives directly from the General Assembly, but it also is aware that the municipality and the school must work together for the welfare of the residents.

The Board advocates joint expenditures of school and municipal or county funds to provide facilities from which the entire community may derive benefits.
